## Another Successful Year

Over 500 interested persons attended an open house at the Lutze Housebarn on June 27, 2015. Nathan Chisholm, Archivist and Membership Chairperson organized the daylong event which included tours, weaving and spinning demonstrations, displays of the restoration progress. Sarah, Matt and Amber Lutze were on the front line for tours through the housebarn. Chris Kuehnel anchored the stump puller station while Richard Lutze engaged children with simple toys of the era. President Richard Wiegand welcomed visitors and Kathy Sixel and other volunteers managed the registration. Nathan's family served hearty German style food on a picture perfect day. Niles and Barb Klaves shared the historic garden story and Kathy Pearce assisted with parking and old time music.

The 29th anniversary of the group continued with timber frame repair, stone masonry, a historic garden, artifact identification and classification. The garden produced a bounty of heirloom tomato, rhubarb, beans, rutabagas and potatoes for farm style lunches during workdays. An experienced intern, Nathan Chisholm of Plymouth has begun working on the collection of artifacts-computerizing the collection. One of the fascinating aspects of the restoration includes a stump puller from the 1800 which Chris Kuehnel and Charlie Simmons are re-engineering to the original construction.

Tours of the nationally significant project are available on work days by calling in advance to Sarah Lutze at 693-3454.

Plan on joining for 2016 to work with a fascinating set of people with a common goal of historic restoration of rural heritage of the area while having old fashioned fellowship in work ethic, sharing farm style family meals and living through life long learning. Work days are scheduled to begin for 2016 on March 26. All are welcome. Persons wishing to be involved in the hands on work with timbers, windows or wood related aspects are encouraged to contact Chris Kuehnel, Project Director at 693-3141.

Go to [centrevillesettlement.org](http://centrevillesettlement.org) or choose Like on the Facebook site to learn more, see photos and learn how you can become involved. Centreville Settlement is a not for profit organization, dedicated to the preservation of the Saxon German culture and the farming community.

# Cleveland Lions Club News

At our September dinner meeting, our club recognized the volunteer efforts of the coaches and assistant coaches of the little league baseball, soccer, and "Wildcat" baseball programs as our guests for dinner. It is our way of extending a "Thank You" to these individuals for their volunteer efforts in providing an entertainment outlet for the children and adults of our community and at the same time teaching very good sportsmanship. We as "Lions" are proud to provide support for these programs.

Our Lions District 27-B1 Convention was held November 13th and 15th in Appleton. Our club presented checks totaling \$5,550.00 in support of the WI Lions Pride Campaign, WI Lions Foundation, Leader Dog Program, and WI Lions Eye Bank.

The Wisconsin Lions Camp at Rosholt, Wisconsin served 1,357 campers this summer, who were either visually impaired, deaf or hearing impaired, or cognitively disabled at no cost to the camper.

The Leader Dog Program supported by Lions makes available dogs to visually impaired or blind people at no cost. The cost of raising one dog from puppy to placement with an individual is \$40,000.00.

The WI Lions Eye Bank receives eyes from organ donors and the tissues are used in corneal transplants for those in need. Our Lions are personally involved in the transportation of both donated eyes and tissue used in surgical transplant.

The Cleveland Lions also contributed to the "Secret Santa" program for the community, both financially and with helping hands.

We extend our appreciation to the community for supporting our annual "nut sale". Hopefully many of you enjoyed this fine selection of good quality nuts while providing financial support for our programs in this community.

As we look ahead, preliminary plans are being formulated for the 37th annual Dairyland Festival to be held Saturday, August 6th and Sunday, August 7th.

If you have an interest in joining Lions and making a difference, contact any Lion or specifically Lion Ed Jesinski at (920) 693-3479 or Lion Denise Fritz at (920) 726-4250.

# Hello, Gardeners!

Hello, Gardeners,

The EWGC takes this moment to thank all those who have supported us in 2015. Community support helps us to be a successful organization.

We have discovered a new little hand sickle. It's small, lightweight and cuts your clean up time almost in half. And if I could remember the name of it I'd be dangerous. I'll try to have that for you in the next bulletin.

These are some holiday gifts you may want to AVOID this year. From Lee Valley Tool, The silicone egg separator. It's a small, ball shaped, silicone thing that pulls the whites away from the yolks of the egg. It's only \$7.95. If you borrow your kid's ear syringe, you'll have the same thing. Although I suggest running it through the dishwasher first.

The next winner is the Low Temperature Stirling Engine Kit. It sits on the top of your coffee cup or iced drink. It exchanges heat. How and why I don't know. It's a mere \$149.00 and you have to assemble it yourself! What a deal!

And lastly from Jung's, their bean slicer. You put 2 or 3 beans in and cut them into French style beans. Really...? When beans are coming hot and heavy from the garden, you may have 3 five gallon pails full, and you're only cutting only 2 or 3 beans at a time? Maybe you'll be done cutting by the time your Kindergartener goes to college.

Our club wishes you peace, good health, a great garden in 2016, and a blessed Christmas.

**Merry Christmas to you all.**

*Lynn Fiedler for the East Wind Garden Club*

## Cleveland Secret Santa Group

We want to thank everyone for their continuing support of the Cleveland Secret Santa Group. With your overwhelming generosity we were able to help 12 families in the Village last year. They received five boxes full of food, a laundry basket full of paper/cleaning products and a gift bag with presents for the kids and family and some other items that wouldn't fit in the boxes.

Our "super shopper and helpers" have already started gathering things for this year. We are asking for your continued support because as everyone knows the prices keep going up.

Please stop in at the Cleveland State Bank and see our display. Monetary donations can be made at the Bank, and if you know of a family that could use help this year, please feel free to leave that information at the bank in an envelope addressed to the Cleveland Secret Santa Group.

Thanks so much for your support.

# VFW Post 8974 News

This year seems to have gone very fast. Alvin Kracht and Edmund Schmitt and David Lallensack were able to take Honor Flights this year. For a small post we have several members who have taken the trip to DC.

We had 20 members and spouses join us for a Veteran's Day Meal at the Wildflower Café on November 11th. Alice Matthias gave a nice history of the activities of the Ladies Auxiliary that has been in existence for 65 years. Our post continues to charter the Cleveland Cub and Boy Scouts and at our last meeting we gave a donation to the cub scouts. We will hold our annual Christmas Party at Rupp's on Sunday December 13, 2015 from 11:30 AM until 2:30 PM. Our post invites our auxiliary members to attend this celebration and we enjoy the food, fellowship and singing a few favorite Christmas songs.

On behalf of post 8974 we wish all of you a Merry Christmas and a Happy New Year.

Dear Fellow Cleveland Residents:

Our Village has depended upon VOLUNTEER FIREFIGHTERS AND 1ST RESPONDERS for as long as I have lived here; and I believe for a very long time. These dedicated men and women attend meetings a minimum of monthly; attend training (often taking off work to do so); and are always available at the ring of a phone or the sound of a siren to save our lives and our property. Additionally, they work to hold a brat fry and other fund raisers just to earn money to buy equipment and training.

IT IS TIME WE GIVE SOMETHING BACK! A Citizen Group has created a fund-raising effort to produce money in order to provide the Volunteers with an APPRECIATION DINNER. Along with a very nice meal for the volunteer and significant other, our hope is that we can raise enough money to provide each volunteer with a gift (gift cards, certificates, or tangible item) that will show our sincere appreciation.

The date of the Appreciation Dinner has not been set, but anticipate sometime 3rd quarter 2016. This will allow us plenty of time to raise the funds we need to TRULY show appreciation.

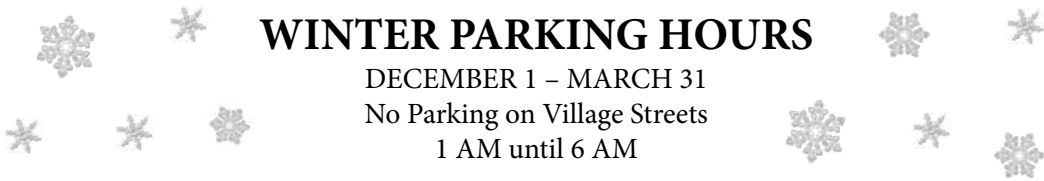

Cash drops will be located at several local businesses over the next months. Checks can be made out to: VOLUNTEER FIREMEN AND 1ST RESPONDERS RESPONDERS/ Cleveland State Bank, and dropped directly at the bank into the established fund.

If you have further suggestions for methods to raise funds, or are willing to donate time to assist our cause, please contact me.

I have had the opportunity to view these volunteers at work. Their PROFESSIONALISM is outstanding. WE CAN REST WELL IN CLEVELAND KNOWING THEY ARE AVAILABLE TO HELP US. Please give generously.

With kindest regards,

## Annual Village Garage Sale

The Annual Village Garage Sale will be held Saturday, May 20. I am still looking for someone to take over running the sales, after running them for over 20 years I would like to step down. If we don't have a volunteer by February 28, we will be stepping down and having each individual house call in their own ad to the Sheboygan Press. I kept all the contacts, information, and previous map and would help you get started. The cost is higher per house if we wouldn't have someone take over. We were able to advertise in 11 different newspapers, and some of their websites. We are noted to have one of the best village wide garage sales in the area let's keep it going so we can keep the people coming and advertise in other cities papers.
