VILLAGE PRESIDENT'S MESSAGE

I write this and reflect on how fast summer has gone by again this year. It is my hope that everyone had a chance to get together with family and friends to enjoy the season of swimming, relaxing, picnics and outdoor fun.

Thank you to all who volunteered many hours this summer throughout the Village. The ballpark was alive with Little League, softball and baseball games. Thanks to the Cleveland Athletic Club, the Lions Club and the many volunteer coaches that make it all possible.

Hopefully by the time the newsletter is published all of the new signs will be replaced around the Village. The East Wind Garden Club continues to do a wonderful job with the flowerbeds around the signs. I enjoy watching the varieties of flowers blooming as the summer progresses. I'm sure they also will be beautiful into fall again.

It is often said "it takes a Village" and that statement is very true here in Cleveland. I know the various organizations are always looking for additional volunteers. Please consider giving of your time and talents if even just a few hours. What a great way to meet people, too. Contact me for more information on the many opportunities to get involved.

Thank you to everyone who not only volunteer all year around but also to those who attend events that support the organizations!

Kathy

Cleveland Lions Club News

The 37th annual Dairyland Festival was blessed with very nice weather, which resulted in good crowds coming out to enjoy Saturday and Sunday's activities and making our annual fund raiser a success. The addition of the craft sale and the classic car show provided new interest in the festival.

The car show winners were: Best In Class, Brian Gifford, Oshkosh, 2006 Victory Bike; Rodney Rabe, Kiel, 1962 Pontiac, G.P.; Glen Roerdink, Howards Grove, 1965 Mustang; Eric Bauer, Mtwc, 1971 Chev. Monte Carlo; Fred Westermeyer, Cleveland, 1962 Pontiac G.P.; Larry Derlein, Sheboygan, 1961 Ford Ranchero; Gene & Vicky Cahak, Mtwc, 1963 Chev. Impala; Tony Scott, Ply, 1986 GMC truck; Ken Davis, Mtwc, 1959 Chev, Apache truck; Dale & Kathy Heinzen, 1929 Ford Roadster; Bob Blattner, Mtwc, 1974 Olds. Hurst W30; Harlan Sauer, Whitelaw, 1959 Chev. Apache truck; Best In Show, Paul Kammann, Cleveland, 1934 Packard; Jim Young, 1955 Ford Crown Victoria; Lions Club Award, Melanie Kammann, Cleveland, 1957 Chev. Bel-air. 105 cars were shown.

We extend a very sincere "Thank You" to the community for supporting this year's festival. We appreciate the support of the merchants who contributed to the raffle prizes, the many non-member volunteers who assisted us, the parade participants, and our members and spouses for their help. We also extend a special "Thank You" to the Cleveland PTA for providing games and activities for the youngsters and to the East Wind Garden Club for their participation. Thank you to the Boy Scouts for clean-up on Saturday and Sunday evenings.

Our success is the communities' success, as it allows us to continue the little league baseball and soccer programs, the Secret Santa program, the Dare program, and other financial contributions to the community.

"HOLIDAY NUT SALE". The Lions will again sponsor the Holiday "Nut Sale". We will have the same great quality pecans, cashews, and mixed nuts available in early November. They will be available for purchase from any Lion member or at the Cleveland State Bank. We thank the Cleveland State Bank for the continuing support extended to the Lions and to the entire community.

If you have an interest in joining Lions and making a difference, contact any Lion or specifically Lion Charlie Kolb at (920) 550-2033 or Lion Denise Fritz at (920) 726-4250. We would welcome your participation.

VFW Post 8974 News

Greetings Village residents

I am writing this article about 4 hours after the Dairyland Festival parade. On behalf of all VFW Post 8974 members I want to thank the Boy Scouts and the Cub Scouts for working with the Post and being with us for the parade. I want to thank Dave "Mad Dog" Klinzing for providing the antique tractor to pull our float. I want to thank VFW member Roy Grunwald who pulled our old tires and replaced them with new ones so we can pull our float again. We store our float at VFW member Wayne Schuette's and we thank him for granting us the space to store our float. We typically put our float together at Willie Matthias's garage and we thank Willie for providing that temporary storage space. It was a good day for a parade and we encourage all of you to exercise your democratic rights and vote for the candidates of your choice.

Our post is in the planning stages for our Veteran's Day luncheon and planning our December Christmas Party. I have removed flags from our used flag mail box 3 times since this winter. I have properly disposed of well over 50 flags. It is great to see the community use the service we are providing.

Bryce Larson Post Commander

As another baseball and softball season has come to a close at Veterans Park for the year, a special Thank You goes out to all the little league coaches and parents who volunteered their time and talents: Instructional Baseball – John Sundee – Cleveland Lions, his son, grandson, high school students and several parent helpers; Grade School Girls Modified Softball – Steve Heim, Jodi Heim, Tina Kieckhafer, Lanae Lallensack and Tom Balde; Cleveland Lions Pony – Matt Kramer, Chris McGeary, Roy Annelin and Jason Skrepenski; Cleveland Lions PeeWee – Steve Heller, Neil Meissner, Matt Rybarczyk and Jeremiah Sundee; Cleveland Lions Peanuts – Shawn Bozarth, Antonio Branham, Mary Calkins, Joe Krause, Brian Smith and Matt Jurss. Also, Thank You to all game umpires, Jacob Henschel for preparing and grooming the fields each week for little league and adult ball games and T & L Services Lawn Care & Landscaping for cutting the lawn in the park and keeping the ballfield outfields looking Great! Lastly, Thank You to all village and surrounding area residents and businesses for their support this past summer at the Veterans Park concession stands and for the support of the annual little league pizza and frozen foods fundraiser. All proceeds from these sales stay in the village and are used for uniforms, equipment purchases, tournament entry fees, Veterans Park improvements and other little league and adult league related items.

On Sunday August 14th, the Cleveland Wildcats adult baseball team hosted Marytown to end the regular season and after the game, the ever popular “Let’s Make A Deal” game was played by several fans in attendance. Also, the Wildcats won the first half of the East Shore League season so watch for information around the village to see when and what team they will be playing in the postseason.

As a service organization to village residents we are always looking for new members to join our club to offer their suggestions and ideas to our club. Meetings are held the first Tuesday of each month. The next two meetings will be held on September 6th and October 4th at 7:00 p.m. at Hickory House. Please join us! Inquiries can call (920) 889-1807.

Bonde’s Quik Mart

In this ever-changing world of technology, still another change occurred recently at our store with the handling of credit and debit cards.

WE NOW OFFER EMV (EuroPay, Mastercard and Visa)

This feature requires you to use the chip in your credit/debit cards. Your financial institution put that in place to keep you and your identity more safe and secure. Of course, not all cards have the chip. For those cards, the reader works as it did in the past. The chip reader is not yet available outside at the pump. It will take some time (until next summer or fall of 2017) before that upgrade is available.

As I write this newsletter, we are installing LED lights throughout the interior of the store. To keep in line with our Vision to remain stewards of the Environment, we will continue to seek out ways to conserve our natural energies. If you haven’t already, come in to see our new look.

Be sure to keep apprised of the happenings at Bonde’s by following us on www.facebook.com/Bondesquikmart. You can find store closings and the latest events here on our face book page.

We plan to celebrate our 34th Anniversary as service to the community this coming October 25 through Nov 1st. As always, we will offer great savings on many items throughout the week. And watch for our “HUGE” display of Honey Crisp apples coming this fall.

Public Works

SUMMER SEWER RATES END SOON. Sewer rates for RESIDENTIAL SEWER UTILITY customers will return to the actual cost for all water consumed after the September meter reading, which is reflected on the October 1 bill.

YARD WASTE SITE CLOSURES NOVEMBER 30. The yard waste site closes Saturday, November 30, and reopens April 1, 2017. Until then, regular hours are: Tuesday through Sunday, 7:30am – 8pm, CLOSED MONDAYS and as needed for maintenance. Call Public Works, (920)693-8236, and leave a message with your contact information if you have an extensive yard project outside of regular hours or in the off-season. With sufficient notice, we can coordinate access for you or your contractor.

BUILDING PERMITS. Building permits are generally required for building improvements, adding permanent or temporary structures or fencing, and completing repairs. Due to the volume of requests, it is recommended you allow at least FIVE business days for approval; TEN business days for building additions, new homes, and commercial or institutional projects. Applicants for projects involving new buildings or expansions, or changes in use, should meet with Village staff early in the planning process. Contact Village Hall, (920)693 8181, to make an appointment. The application form is available at www.clevelandwi.gov. Fees double if work is started without a permit.

TREE AND SHRUB MAINTENANCE. For public safety, each property owner is responsible to maintain trees or shrubs located on his or her property and adjacent rights-of-way. The lowest branches projecting over a street must provide a clearance of not less than 14 feet, or 10 feet over any other public place. They must be maintained so that no dead, broken or otherwise hazardous branches shall be likely to fall or cause injury to the public. Shrubbery, ground cover, and other plants in terrace areas are limited to 8 inches in height above the nearest curb. Any hedge, tree, shrub, or other growth which obstructs the view at intersections must be removed; any which obstruct the view of any traffic sign must be trimmed or removed. Planting, removing, or performing major alteration of any trees or shrubs in a public right-of-way requires a permit from the Department of Public Works.

It has been some time since the Village actively managed its tree and shrub maintenance program. The Public Works Department completed a windshield survey this summer and, at the direction of the Public Works Committee, will restart the program in Spring 2017. Please take time to inspect the growth in your location and take needed action before then.
