## VILLAGE PRESIDENT'S MESSAGE

Thank you to the village staff and village board for successfully working together on the 2017 budget. We brainstormed to find ways to keep costs down while maintaining services to our residents. It was tough working with a levy limit of just over one-half of one percent. The board has expressed interest in finding ways to grow the village and its tax base. Fortunately we have a couple of new homes under construction and have interest from a few businesses in coming to Cleveland or expanding their current business here. But costs are rising and revenue is down. We saw a rise in our garbage, recycling and insurance costs, and our volunteer fire department contract cost, and a new fee from our ambulance service. I am thankful that our village has a group that is creative and found ways, once again, to function with less. Thank them when you see them around town!

The village has received many complaints on wildlife and residents feeding deer, feral cats and other wildlife. Keep in mind that you are not allowed to feed wildlife other than birds in a bird feeder in the village. Please be courteous to your neighbors that are having their property destroyed by these animals.

As we approach winter, please remember that our snow-plow drivers are doing their best to get to everyone as fast as they can. Be patient and know that eventually they will get to your road, too. Also, be reminded to keep fire hydrants on your property clear of snow.

Keep warm,

*Kathy Stolzmann*  
Village President

## Friends of Hika Bay Battling Invasive Species

Many invasive species, including buckthorn, honeysuckle, and barberry, retain their green leaves longer than the native tree and shrub species. This makes them stand out just a little more at this time of year.

One of the primary invasive species that the Friends of Hika Bay have been battling is European buckthorn. This non-native shrub, which has invaded two-thirds of the United States, has long been known to negatively impact plant community composition and forest structure. New research also demonstrates how this shrub negatively impacts native amphibians.

Amphibians are facing an extinction crisis worldwide, with 165 species likely having gone extinct in recent years according to the Amphibian Ark, a coalition of conservationists devoted to seeking solutions to the decline.

Buckthorn releases the chemical compound emodin, which is produced in the leaves, fruit, bark and roots of the plant, into the amphibian breeding pond environment at various times of year. Emodin is toxic to amphibian embryos, disrupting their development, preventing hatching.

The high-density prevalence of this non-native plant is shifting population dynamics and negatively impacting a variety of native animal populations. They suggest landowners and managers should consider invasive species management and habitat restoration. Friends of Hika Bay have prioritized implementing invasive species removal of buckthorn and honeysuckle in Fischer Creek Park and Hika Park.

## Yard Waste Site Closed

The yard waste site closed November 30 and is scheduled to reopen Saturday, April 1, 2017. Contact the Village Department of Public Works at (920) 693-8236 and leave a message with your contact information if you have an extensive yard project during the off-season. With sufficient notice, we will try to coordinate access to the site for you or your contractor. Availability of the site will be weather and schedule dependent.

## Village Board Spring Elections

The Spring Election will be held Tuesday, April 4, 2017. If a primary is necessary, it will be held Tuesday, February 21, 2017. The Village President and three Trustee offices will be elected. Nomination packets are available in the Clerk's Office. To have your name on the ballot, all paperwork must be filed by 5:00pm on January 3. Village Hall will remain open until the deadline.

# Cleveland Lions Club News

At our September dinner meeting, our club recognized the volunteer efforts of the coaches and assistant coaches of the little league baseball, soccer, and "Wildcat" baseball programs as our guests for dinner. It is our way of extending a "Thank You" to these individuals for their volunteer efforts in providing an entertainment outlet for the children and adults of our community and at the same time teaching very good sportsmanship. We as "Lions" are proud to provide support for these programs.

Our Lions District 27-B1 Convention was held November 11th and 12th in Green Lake. Our club presented checks totaling \$5,550.00 in support of the WI Lions Pride Campaign, WI Lions Foundation, Leader Dog Program, and WI Lions Eye Bank.

The Wisconsin Lions Camp at Rosholt, Wisconsin served 1,357 campers this summer, who were either visually impaired, deaf or hearing impaired, or cognitively disabled at no cost to the camper.

The Leader Dog Program supported by Lions makes available dogs to visually impaired or blind people at no cost. The cost of raising one dog from puppy to placement with an individual is \$40,000.00.

The Cleveland Lions also contributed to the "Secret Santa" program for the community, both financially and with helping hands.

We extend our appreciation to the community for supporting our annual "nut sale". Hopefully many of you enjoyed this fine selection of good quality nuts while providing financial support for our programs in this community.

As we look ahead, preliminary plans are being formulated for the 38th annual Dairyland Festival to be held Saturday, August 5th and Sunday, August 6th. With the great success of the craft sale and car show, we look forward to repeating both, only bigger and better. Lion Tom Fiedler will field inquiries and questions at (920) 693-8553, fiedler@tds.net, or P.O. Box 177 Cleveland, WI.

We extend a warm welcome to Catherine Woelm and Michael Holzum as new members. If you have an interest in joining Lions and making a difference, contact any Lion or specifically Lion Charlie Kolb at (920) 550-2033 or Lion Denise Fritz at (920) 726-4250.

# Hello, Gardeners!

Hello Gardeners!

An EWGC thank you goes out to Barb Klaves, who has served as Co-President and President for the last few years. Our new Co-Presidents will be Nanette Wittmus and Roxy Mueller and our secretary will be Ellen Van De Loo.

Thank you ladies for taking a leadership role in our club.

A gardening question for you-What's the difference between boogers and spinach? You can't get your kids to eat spinach. (I know, I know, it's bad.)

The club has a project for the winter. It's putting together or decorating a birdhouse or faerie house. And if all goes well, we'll display them at the Village Hall after our March meeting.

We will also have a social with another club at the March meeting. You can join us and enjoy the displays, social, and meet new gardeners.

Get rid of the winter blahs and join us, as a matter of fact, join our club! Our dues are \$15.00 a year. Send a check made out to the East Wind Garden Club and mail it to me, Lynn Fiedler, Box 177, Cleveland, WI 53015.

Gifts NOT to get for your gardening friends. Zombie flamingos, by Union Products. Black with red eyes for only \$51.54. I'm not making this up people. AND Moonie Bare Buttocks Gnome statue on sale for a mere \$20.99. Who could ask for anything more?

I have to leave you with these pearls of wisdom. Smokey Bear says, "Never buy flowers from a monk.....only you can prevent florist friars." I don't write them folks, I just pass them along.

Merry Christmas!

Lynn Fiedler for the East Wind Garden Club

# Lakeshore Technical College

## LTC's Promising Futures Scholarships help transform lives

At Lakeshore Technical College we are committed to making the dream of a college education a reality for all students on the Lakeshore. That's why we developed three scholarship initiatives that will provide access to an LTC education by removing financial barriers for students in need.

### PROMISE SCHOLARSHIPS

These scholarships will eliminate financial and other barriers for recent high school graduates with significant financial need. Promise scholarships will be awarded to high school seniors residing in or attending schools within the LTC District and cover the gap between Pell grant awards and LTC tuition.

### FUTURES SCHOLARSHIPS

Adult students who have no ability to fund the costs of tuition, fees and supplies from their family budgets can receive Futures Scholarships ranging from \$500-1,500. These scholarships allow adult students the extra financial support they need to finish their college education.

### EMERGENCY GRANTS

Emergency grants serve a critical need for LTC students. Often it is relatively minor and unanticipated car, healthcare or childcare expense which can derail a committed student's educational plan. Emergency Grants provide immediate financial relief for students in crisis.

To learn more about LTC's Promising Futures Scholarships and other scholarships, contact Rhetta Bajczyk, Development Specialist, at 920.693.1852 or [scholarships@gotoltc.edu](mailto:scholarships@gotoltc.edu).

Greetings village residents

November 11, 2016 was Veteran's Day. Our post celebrated this day with a noon luncheon at the Wild Flower Café. We have decided to hold more of our events during the daylight hours as travelling for our elderly post members at night is harder for them. We are also planning our Christmas Party for December 18, 2016 at Rupp's with a noon luncheon. We invite our auxiliary members to this party as well. Our post had our annual inspection this last September and we are working on some items that we need to improve upon. On behalf of our post members we want to wish all of you a Happy Thanksgiving and a Merry Christmas and a Happy New Year.

## Bonde's Quik Mart

With Thanksgiving behind us, we want to take this opportunity to offer our thankfulness for the community that helps keep us a viable business. We are so very happy to serve you. We try to offer a wide variety of those last minute products that you (just) don't want to run to the next city to pick up: All for your convenience.

Our Country Deli is constantly working on new items to serve up from the kitchen. We recently added coffee cakes that are being prepared right here in our bakery. They look and taste delicious. The deli is now offering Bonde's Bundles which includes ham or turkey on a tortilla shells rather than the common "bread/bun sandwich". We also have hot and cold soup again being offered during this cooler time of year.

The start of 2017 will bring big changes to Bonde's. We will be replacing our freezer. Construction crews will be working in our kitchen. Unfortunately, you may not see our bakers, packagers and sandwich makers for a few days. However, we want you to know that our little elves will be making every effort to have fresh goods available all day, as normal.

Also, keep watch over happenings as 2017 marks the 35th year of business in the Cleveland community. We will be celebrating!

All of us at Bonde's wish you a
