VILLAGE PRESIDENT'S MESSAGE

Village elections are in April and I am happy to announce that all of the incumbents have chosen to run again. The board is made up of a diverse group that brings in experience and knowledge from a wide range of expertise. I am proud of the work we have done and continue to do.

One of the ongoing projects the board is working on is the water rate case hearing. This is a process that takes into account many factors. As you may know the treatment plant construction debt is paid off and we had an engineering study done to determine any current and future needs. For many years the board did minimal upkeep to keep the rates the lowest they could. Now we are taking a step back and looking at the whole picture not only for today but also for the future. It has been a meticulous process and I appreciate your patience and will keep you informed as we progress.

I know it is a little early to think about Christmas decorations but we are in the process of ordering new ones for the Village! By ordering this time of year we can see substantial savings in the cost. We have certainly gotten full use out of the old decorations but they were falling apart and needed to be replaced. A thank you to Trustee John Ader for doing a lot of the research and planning for these and future decorations, as this will be done in phases. Watch for the opportunity to contribute towards beautifying your neighborhood.

The board and plan commission have seen many plans for growth at LTC, renovations to current properties along with a major renovation and new business and additional jobs in Cleveland. This is all exciting news to see the Village grow.

Friends of Hika Bay Ready for Action in 2017

For the last several years, the area volunteers with Friends of Hika Bay have hosted many tree planting days at Centerville Creek and Hika Bay along with work days pulling invasive plant species. Thanks to their efforts in 2016, more people are aware of Phragmites and how to slow it down.

Last year they collaborated once again with the Lakeshore Water Institute and its student interns and professors at University of Wisconsin-Manitowoc who presented their 2016 water quality data last October, revealing the water quality trends on the five creeks in southern Manitowoc County which all flow into Lake Michigan: Calvin, Pine, Point, Fischer, and Centerville creeks.

Plans are underway to continue their stewardship – part of the Adopt-A-Park program of Hika and Fischer Creek Parks this year with additional tree planting and pollinator seeds to attract butterflies and other beneficial insects. A beach cleanup effort will be initiated in September at Hika Park.

Staff support comes from the Lakeshore Natural Resource Partnership or LNRP. Check out their website at www.LNRP.org and for further information on volunteer opportunities contact Jenn@LNRP.org.

ATTENTION!!! All Cleveland Business Owners, Residents and Scout Supporters!

It's Friends of Scouting Time, a time to support your local Boy Scouts of America Council. This year, we are raising funds to help the Bay Lakes Council continue to offer our Boy Scouts camping, adventure and Scouting opportunities.

We invite you to join us March 14th at the Hickory House in Cleveland, at 6:00PM for a short presentation to show you the value of supporting your Boy Scouts of America, and enjoy a reception afterwards for conversation and questions.

Cleveland Lions Club News

“Thank You” to the community for again supporting our “Holiday Nut” sale and also for supporting our sustaining membership tickets. It is with your continuing support that we are able to continue the various programs we sponsor in the Cleveland area. A special “Thank You” to Cleveland State Bank for making their employees available to assist our sale.

The Cleveland Lions also continue the “Lucky 7” raffle each Wednesday evening at the Hickory House between 6:00 and 8:00 P.M. resulting in some happy winners.

Looking ahead to spring, we are again planning our brat fry in conjunction with the annual Village of Cleveland Garage Sale Days, which are scheduled for Friday, May 19th and Saturday, May 20th. This year we will be serving in downtown Cleveland near Rupp’s and on Marshall Avenue both Friday and Saturday. All proceeds raised are used to support the local programs for youth and other community projects.

The Wisconsin Lions Camp at Rosholt, Wisconsin makes available summer camping programs for adult and youth visually impaired; adult and youth deaf and hearing impaired; and borderline cognitively disabled youth. For information regarding schedules and applications, please contact either Lion Denise Fritz at (920) 726-4250 or Lion Charlie Kolb at (920) 550-2033. These camping sessions are made available at no cost to the participants, thanks to the Lions of Wisconsin and their volunteer fund raising efforts. You may also visit the website at Wisconsinlionscamp.com.

Plans for the 38th annual Dairyland Festival to be held Saturday and Sunday, August 5th and 6th are progressing with plans for the craft sale and car show being bigger and better than last year. Lion Tom Fiedler will field inquires and questions at (920) 693-8553, fiedler@tds.net, or P.O. Box 177 Cleveland, WI 53015.

We again extend an invitation to any men and women interested in the volunteer efforts available through Lions Membership to contact any Lion or specifically Lions Charlie Kolb at (920) 550-2033 or Denise Fritz at (920) 726-4250. We would welcome your participation.

Hello, Gardeners

Bored with TV, tired of reading, sick of being stuck in the house? Is that what's bothering you, Boobla? Kick off those fuzzy slippers, put on your winter jacket and drag yourself out of the house.

Treat yourself to our next meeting on March 16, 2017, at 6:30 p.m. at the firehouse.

On display we'll have faerie houses and birdhouses that the clubbers have created or decorated. This was a project for winter to keep us from coming down with cabin fever. Hopefully we'll all come away with different ideas for future projects.

The EWGC again invites you to join our group. Our dues are \$15.00 a year and very well worth it. Our year runs like this: January, winter social, February, March, and April we meet indoors, May, we have our plant sale, June, July, August we visit other gardens if possible and summer social, September and October we meet indoors, November we've been doing wreath, swag, or holiday decorations.

Not enough room in the garden for tomatoes? Check your markers in those tomato packs. If it's labeled "Determinate," you have a chance. "Determinate," means it will stop growing, set all its fruit and stop. It won't keep producing. "Indeterminate," means it will keep growing and producing and try to take over the neighborhood. Delicious, but they are monsters.

You can plant the "Determinate" in a large pot out on the deck or near your backdoor. Just think, you won't need to battle as many bloodsucking "skeeters" either. A real plus.

That's all for now...winter is slower for the club, but individual committees are busy planning for 2017.

Have a great year!

For the East Wind Garden Club, *Lynn Fiedler*

When the **Lakeshore Savvy Singles** held their Christmas party at The Hickory House on Saturday, December 3, members were asked to bring a non-perishable item for Peter's Pantry. In an effort to keep their brains sharp, they played a "Price is Right" game with some of the items, and The Hickory House donated a prize for the winner.

Anyone interested in joining the group should contact Gene Erdman at 920-242-6541

VFW Post 8974 News

Greetings village residents

Our post invited our auxiliary for our Christmas Party and we had 30 of us at Rupp's enjoying a great noon meal and fellowship. We typically don't hold meetings in January and February so our next meeting will be in March.

We will have posters up around the village by early May promoting our Memorial Day Ceremony with time lines etc. We hope to see you there. I attended our VFW district 8 winter meeting on January 28, 2017. One of the concerns brought up at the meeting was how will the campaign issues of improving the VA and the staffing of those facilities with the federal employment ban that is currently on. I personally don't use the VA, but am planning to do so. Many veterans can't afford supplemental insurance or other providers and thus the VA is their only source for health care. Enjoy the last half of winter and yes get ready spring is not too far down the road.

On January 1st 2017, the Cleveland Senior Citizens Club ended. The club was formed on February 9th, 1972 under the leadership of the nine Homemaker Clubs of the Spring Valley Center and Mrs. Louise Dahlke the Manitowoc County Senior Citizen coordinator. The club was later affiliated with the Manitowoc County Aging Resource center.

The club ended because of declining membership, and the death of long-time treasurer Alice Matthias. The remaining money in the treasury was distributed to the Cleveland Garden Club, First Responders of Cleveland, Salvation Army, and the Christmas Club at the Cleveland State Bank. The club would like to thank local businesses who supported them over the years, especially the Cleveland State Bank, who provided prizes for the Sheepshead tournaments, sponsored trips, and donated door prizes for many events.

The main purpose of the club was to provide information, services, entertainment and socialization. Over the years there were many speakers, trips, and parties. At the height of the membership, there were 60-70 members, but times change. In reading through the minutes from the last 22 years, many familiar names are listed, with people taking turns as officers and unbelievable low prices for trips and meals. Dues started out as \$.50 per meeting, and in 1995, it was decided to have a \$5.00 per year membership fee. That amount continued until now. So, thank you to the village of Cleveland and the surrounding area for providing the club with many great years.

Respectfully submitted,

Cheryl Kohl

Bonde's Quik Mart

As promised in my last newsletter, big changes are happening at Bonde's. We've replaced our freezer. Throughout that remodel we were happy to provide freshly baked goods and sandwiches. Special thanks to our kitchen crew who came in and worked through the night ☺ Our goal is always: Fresh donuts and coffee each morning at 5am.

We thank our employees for sharing ideas on how we could outfit the store with a "New Look". These upgrades give us a more functional work environment and will give you, our customers, a fresh, pleasant place to shop. By the time you read this, we may be finished. Visit our Facebook page often for the latest news, or better yet, stop in.

Next, we'll be working on the outside. Please excuse our outside mess this spring as we will be installing a new diesel island, complete with a satellite station so large trucks can fill their tanks from both sides. It will speed up the fueling process.

Are you taking advantage of Club CITGO? As a result of this program, we were able to pass on nearly \$400 in savings to our customers during the last quarter of 2016. Isn't it time for you to get on the band wagon and experience some savings, too? See a Bonde's Quik Mart employee to find out how. Or, call 920-693-3145 and leave your telephone number. We'll have one of our specialists contact you.

Yes, we are in our 35th year of doing business in the Cleveland Community. We enjoy serving you. Watch for sales and events to help us celebrate this accomplishment.
