VILLAGE PRESIDENT'S MESSAGE

Welcome warmer drier weather!

Summer is a great time to get those small and large projects done around your house. Did you know that some might need a building permit? When in doubt call or stop at the village hall and ask if you need one and remember to give yourself plenty of time to get the permit before you want to start the work. Fees double if the work is started without a building permit and the project could be delayed.

Village ordinances require basic maintenance and upkeep of properties. Cut your lawn on a regular basis and make sure to stop the spread of any noxious weeds. When cutting your lawn please do not blow the grass clippings into the street. Also, look around the outside of your house and clear out any extra items you have stored outside and no longer work or you no longer use. You could sell, dispose, recycle or donate them to a local charity. If you still have a use for it find a spot to store it in your garage, shed or basement.

Garbage pickup is on Mondays and garbage cans (carts) can only be out 24 hours before and after garbage pick up. Just a few reminders of the cart placement:

- Carts should be within 18 inches of the edge of your property. Carts cannot be placed on the street.
- Place carts at least three feet away from fixed objects and each other.

We have a beautiful lakefront park and beach area for all to enjoy. Please be mindful of residences to the north and south and their private properties when enjoying Hika Park.

The village website at www.clevelandwi.gov is continually being updated with useful information, bookmark it today. You will find everything from office hours, contacts, meeting minutes, park rules, park rental information, building permit rules and yard waste hours to village history...and much more.

I'm proud to call Cleveland home!

Village of Cleveland Sign is a Winner!

If you've noticed the Village's new identification signs, you're not alone. The Wisconsin Sign Association awarded **FIRST PLACE** to the Village of Cleveland and our sign designer, Katie Scholz of RLO Sign, Inc., in the non-illuminated (exterior identification) sign category.

The base logo was created by former Lakeshore Technical College students Daniel Leitzke, Mary Kahler, Holly Parker, Ryan Van Ess, and William Weinaug as part of an integrated class in graphic design, web development, and marketing. Ms. Scholz and RLO Sign took that design and enhanced it, and created the signage and graphics you now see throughout the Village. The new logo will be incorporated as items are replaced or remodeled, bringing a fresh, modern look to our parks and facilities.

Our thanks to Katie, RLO Sign, and our LTC "Dream Team" of students for helping everyone realize what those of us here already know—the Village of Cleveland is a winning place to be!

Hika Park Public Spaces

As you enjoy Hika Park this season, respect the property owners adjacent to the park. Keep your feet wet if you walk up or down the lakefront to ensure you remain in public space and off private beaches. *Thank you!*

New Fire Chief for the Cleveland Fire Department

I, Tony Meyer, would like to take this opportunity to introduce myself as the new Fire Chief of the Cleveland Fire Department. I have served as a member of this department for 17 years, directed by many outstanding chiefs and officers during that time. I enjoy being both a firefighter and EMT for the department that protects and serves this wonderful community and have proven myself to be a trusted and respected leader. I would like to thank Ron Zastrow for the past 12 years of service as chief. The department has accomplished many great things with his leadership and guidance, and I will continue to build on that strong foundation.

Tony Meyer

Chief - Cleveland Fire Department

The Cleveland Fire Department would like to thank you for supporting your local fire department during our annual brat fry this year!!! We very much appreciate it! The winners for the raffle tickets were Scott Raeder-\$500, Nate VDH-\$250, Eric Grupe-\$100, Hummer-\$50, Maureen Slotke- \$50, Shawn Dehne- \$25, Jane Yurk- \$25.

Cleveland Clever Clovers 4-H Club

Our club, the Cleveland Clever Clovers are a local Manitowoc County 4-H. We have meeting once a month on the first Monday of the month, at the Cleveland Firehouse. Our club each year submits items into the Manitowoc County Fair in August. Some of these items include pictures, sewing, wood and metal projects and even animals. Sometimes if the judges like your items a lot they can be sent to the Wisconsin State Fair. This year three of our club members get the chance to display their items at the State Fair. Two of the members are bringing their pictures and one is bringing her Nutcracker soldier made out of flower pots. We also do many activities to help our community. Just recently we cleaned our part of an adopt a highway. We clean Highway 42 from North Avenue to County line Road. We also helped our local fire department clean up after their brat fry. If you have any questions or are interested in 4-H please contact Heidi Belitz at (920) 693-3435 or Karri Jaeger at (920) 693-3522.

Friends of Hika Bay Plan Beach Grass Restoration

Area volunteers can make a difference on our beach at Hika Bay this summer.

Friends of Hika Bay are planning activities to enhance the beach grass on the Hika Shores beach on Tuesday, June 6 and Thursday, June 15, from 5-7 p.m. Volunteers at these work sessions will help reestablish this dune building by removing invasives and planting beach grass plugs.

Establishing the dune grass colonies will stabilize the sand and slow down runoff from wind and rain. Contact Jenn at jenn@LNRP.org or 920-627-1799 if you're interested in participating.

This beach is a remnant of what might have been an extensive ridge swale system that could have extended roughly a quarter mile north of Centerville Creek.

The sand ridge that runs from the Hika Shores property north along the residential properties, where you see some homes built on the ridge itself, indicates some evidence of the former sand dune landscape in our area.

American beach grass, or American marram grass, is native to eastern North America, where you find it on sand dunes along the Atlantic Ocean and Great Lakes coasts. Beach grass is a dune-building grass that creates the first line of sand dunes along the coast and thrives under conditions of shifting sand, sand burial, and high winds. It is a perfect solution for Hika Shores. Beach grass is less vigorous in stabilized sand, and you rarely see it any further inland than the coastal foredunes.

The plants spread rapidly (6 to 10 feet annually) through the sand by subsurface runners (rhizomes), and can produce up to 100 stems per clump per year.

Beach grass can tolerate being buried in as much as 3 feet of sand, which stimulates the rhizomes to grow vertically, and is essential to plant vigor. The plant has several mechanisms for adapting to heat stress or wind.

You can see examples of beach grass restoration projects in our area at Red Arrow Beach in Manitowoc and the recently restored beach front near Blue Harbor Resort in Sheboygan.

TIME TO SAY FAREWELL AND THANK YOU

Dear Cleveland Community,

As a young child I remember driving to Cleveland from the Milwaukee area to attend the summer picnic held at St. Wendel's parish where my mother's cousin, Father Gerald Watry, was the pastor. Little did I know then that I would spend the majority of my professional career in Cleveland. You may know that I will be joining this year's group of retirees as I say farewell to Cleveland and LTC.

It has been a privilege working with LTC faculty and staff to help students create better futures for themselves. I have been witness to the promise shown by thousands of students—attending LTC at various points in their lives—and have found both satisfaction and pride in seeing them build fulfilling futures.

Key to the success of LTC is the support of the Cleveland community. Reflecting back on my time at LTC, I have come to appreciate the bond that exists between LTC and Cleveland.

- The LTC Wellness Center is used by over 150 Cleveland residents each year.
- The Cleveland Training Room was dedicated in honor of the village.
- Cindy Huhn, former Village President, provided outstanding leadership on the LTC Board for 14 years.
- The college expanded its Agriculture Programs by creating the Environmental Campus on North Avenue.
- Staff and students march in the parade each summer.
- A mutually-beneficial relationship exists between the Cleveland Police Department and the LTC Police.
- The support of the Planning Commission and Village Board has allowed our campus to grow.
- The positive working relationship we have with the Village employees.
- Thirty-three village residents are on the team at LTC.

Thank you for being a good neighbor and helping create a valuable resource for the entire Lakeshore area. As I look forward to my retirement it is my pleasure to introduce you to Dr. Paul Carlsen who will be the next President starting on July 1st. Paul is an exceptional leader who I know will appreciate the strong relationship with the community.

We are proud to call Cleveland our home.

Wellness Center

The Wellness Center is an unsupervised fitness center at LTC. The room is equipped with treadmills, ellipticals, a stair machine, exercise bikes, jump ropes, exercise balls, mats, free weights and numerous weight machines.

Hours are:

Mon through Thurs 7:30 am - 10 pm,
Friday 7:30 am - 4 pm
Saturday & Sunday 7:30 am - 11 am.

The LTC Campus & the Wellness Center will be closed Friday, Saturday, & Sunday, June 23 through July 28, 2017, as part of our energy conservation initiative. The center will also be closed July 3 & 4.

Interested village residents must be 18 years old to use the facility, review and sign the policy forms, and complete a brief orientation. The Wellness Center Policy includes guidelines, dress code, and a release of all claims form. Contact the LTC school nurse for more information at 920.693.1111.

VFW Post 8974 News

I am writing this May 1st and we are wet and getting wetter. Gardens will be late this year and farmers have lost a lot of alfalfa and winter wheat due to our wet fall, warm February and wet spring.

Our post is shrinking in size and growing older every day. We talked with the leaders of the Cleveland Scout Troops and encouraged the scouts to find another organization to charter the scouts. The Cleveland Lions have agreed to do so this December. I want to thank the Lions for taking on this responsibility and to thank the scouts for working with us these last several years. This year the scouts are using VFW "Buddy Poppies" as a project to move more poppies for the VFW and provide service work and project coordination for their scouts. If this venture works for them this year we hope that it can continue in the future. Our post made a donation to the scouts this winter to help cover the cost of the training for adult leaders and other activities. Our post also purchased a large flag for an area cemetery so that there will be a flag flying over the veterans in that cemetery.

I want to thank all of you that were able to make our Memorial Day Service on May 29th.

Bryce Larson Cleveland VFW Post 8974 Post Commander

Centreville Settlement

Centreville Settlement, a local non-profit historical group, welcomes all interested in history to be a part of the Lutze Housebarn workdays in the coming months. This nationally recognized restoration project appeals to all age groups and offers a fascinating glimpse into architecture of the area in 1849 and progressing forward. Major focuses will be continued stone masonry-foundation work and siding. In May, they held a Sourdough Bread Making Workshop and a Bread Making Bee to share in old time skills, local foods and fellowship.

The upcoming workdays and events include: Saturdays: June 3 & 17; July 1, 15 & 29; August 12 & 19; September 9 & 23; October 7 & 21; and November 4 & 18.

On Saturday, August 19, there will be a Pioneer Re-enactment and hands on skill workshop of old time trades and woodworking skills. Both are open to the public. A variety of historical demonstrations and hands on activities are being planned. A brat fry will be held on the grounds for the event. For more details, see the website.

Guided tours of the Housebarn are available from 10:00 am -12:00 pm each workday for a \$10 donation (members receive free tours). For further information or group tours during the summer call Sarah at 920-693-3454.

Volunteer for the skill learning days which run from 9:30 am to 4:30 pm at the Lutze Housebarn. All working volunteers enjoy a potluck meal for lunch and share in the old time farm meal, enjoy fellowship and laugh at stories of days gone by.

The 2017 events also include: historic gardening, timber framing & increasing the educational opportunities through outreach with local schools and colleges. You can also join as a fan of Centreville Settlement on Facebook.

For more information contact Project Director, Chris Kuehnel at 693-3141. For other upcoming events: go to the organization website: centrevillesettlement.com

Because You Deserve the Very Best!

Hello, Gardeners!

Spring is here. The robins are making a major mess on our deck trying to build a nest on the outdoor light...every stinkin' year they try. The raw east wind just about pulls the hair from your scalp and you need your fishing waders to make your way to the veggie garden. Music please...it's the most wonderful time of the year.

The club would like to thank the community for their support by purchasing plants from us at our plant sale in May. This is our only fundraiser so every penny you spend at our sale goes a long way.

On Saturday, August 5, 2017 we'll have a booth at the Lions Club Craft Fair.

On Sunday, August 6, we will put on "Expo". There will be the floral competition, raffle items we'll sell tickets for, and on display will be the faerie/birdhouses the members did this winter.

Entries for the contest should be brought to our area at Dairyland Park on Sunday, between 10:00 a.m. and 11:00 a.m. Judging will follow soon after. They will be on display for the public to check out until about 3:30 p.m. when they can be picked up.

Categories for this year's contest are as follows: Color & Composition, Whimsical, Succulents, Miniatures, Flower Arrangement/Centerpiece, Living Herb Arrangement and Home-grown Vegetable Presentation.

Winners in each category will be announced around the noon hour and announced in the club news in the village bulletin...if there's space.

Our flower cart will be on display at the Expo site. It will be full of fresh cut flowers that will be for sale.

Are the deer devouring your spirea, the rabbits snacking on your lilies, the wolverines wolfing down your roses? Remington Arms has a powerful answer that weighs just a few ounces but the delivery system is still illegal to use within the village limits. And if you have wolverines causing problems in your yard, I suggest you move.

Have a great summer and please plant a row for the hungry in our area.

Happy Gardening!

Lynn Fiedler *for the East Wind Garden Club*

Notice of Open Book and Board of Review

The Village's 2017 assessment roll will be open for examination on Tuesday, June 27, 2017, from 4:30 pm to 6:30 pm at the Cleveland Village Hall, 1150 W. Washington Avenue, Cleveland, Wisconsin. The Board of Review is scheduled to be in session from 5:00 pm to 7:00 pm on Wednesday, July 19, 2017, to hear and decide objections. More information is available at www.clevelandwi.gov.

Cleveland Athletic Club

The spring and summer ball season is upon us so please come join us at Veterans Park for games of baseball and softball for adults and children! The Wildcats Baseball team weekend schedules are posted at many area businesses and have home games scheduled for June 4, June 11 (Cleveland State Bank Day), June 25 (Little League Day), July 9, July 23 and August 20 (Let's Make a Deal Day). A brat fry accompanies all Sunday home games starting at 12:00 noon with game time at 1:00 pm. Also, the women's softball league plays on Wednesday evenings and begin June 7th and the men's "Over 30" softball league plays Thursday evenings throughout the summer and began on June 1.

In addition, little league teams have begun play over the last few weeks of May with games beginning at 6pm and scheduled most Monday – Thursdays each week. Also, on Friday evening, June 16th and all day Saturday June 17, Cleveland will host a 11U,13U and 15U Baseball Tournament. Food and refreshments will be available both days along with plenty of excellent youth baseball.

Also, many worthy applications were submitted for our scholarships presented annually to area high school seniors. Seven - \$1000.00 scholarships were presented to the following student/athletes in May: Amanda Henschel, Abby Herrmann, Ryan Jaeger, Allison Schetter and Taylor Vogel – Sheboygan North High School and Hawkin Saeger and Trevor Vogel – Kiel High School. These scholarships would not have been made possible if it wasn't for the generous support of local residents and businesses that attend our annual brat fry and raffle each February at the VFW Hall. Good luck to this year's recipients as they continue their education through college!

Lastly, our next two monthly meetings will be held Tuesday, June 6th and Tuesday, July 11 at Veterans Park at 7 p.m. under the shelter area of the Wildcats Field Concession Stand for anyone interested.

Cleveland Fish and Game News

- Decorate a Cake for Dad on Saturday, June 10.
- Bonde's 35th Anniversary Beer is here. This special label beer will be available all summer long. There will also be free Citgo bottle openers for anyone that purchases Bonde's beer.
- Spirit Pump: We'll "pump up" support for our own Cleveland Elementary School by designating a dispenser and committing to send 3.5 cents for every gallon pumped during an 8 week period beginning in August. Watch for the decorated dispenser and fill up on the Spirit Pump!

Bonde's Country Deli and Bakery has new product to shop for! The Deli has been working on a new and improved recipe for their egg salad that is sure to please. The deli still offers pinwheels and cold soup prepared in the deli and displayed in our walk around cooler. The Bakery now offers our famous peanut squares in a new bite size pack.

For the summer and fall of 2017, we will have an expanded selection of locally grown fruits and vegetables on display. From Asparagus to Zucchini. We hope you are able to appreciate this as much as we enjoy offering it.

Have a safe, healthy fun-packed summer!

Public Works

SUMMER SEWER RATES: From the May 25 - September 27 water meter readings (July 1 - October 1 water/sewer bills), the Sewer Utility will charge only for the average amount of water consumed December 1 through the May meter reading. This adjustment reflects the increased use of water for summer activities, such as gardening and pools, where the water does not enter the treatment system. The Water Utility will charge for all water used.

YARD WASTE SITE HOURS: CLOSED MONDAYS - Tuesday through Sunday, 7:30am – 8pm. Availability is weather dependent, and the site may close on occasion for maintenance. Call Public Works, (920) 693-8236, and leave a message with your contact information if you have an extensive yard project outside of regular hours. With sufficient notice, we can coordinate access for you or your contractor.

GRASS CLIPPINGS: Do not mow grass into the street. Grass clippings and yard waste plug storm sewers, leading to water backups and flooding. Please rake material out of the grate to drain the water if plugged. If that doesn't work, call Village Hall at (920) 693-8181.

BUILDING PERMITS: Building permits are generally required for building improvements, adding permanent or temporary structures or fencing, and completing repairs. Due to the volume of requests, it is recommended you allow a minimum of TEN business days from the time a building permit application is dropped off until approval. Applicants for projects involving new buildings or expansions, or changes in use, should meet with Village staff early in the planning process. Contact Village Hall at (920) 693-8181 to make an appointment. The application form is available on the Village website, www.clevelandwi.gov, and can be left in the Village Hall drop box. Remember, fees double if work is started without a permit.
