

**VILLAGE OF CLEVELAND, WISCONSIN
NOTICE OF GENERAL ELECTION AND SAMPLE BALLOT
NOVEMBER 6, 2018**

Notice is hereby given of a General Election to be held in the Village of Cleveland on November 6, 2018, at which the officers named below shall be chosen. The names of the candidates for each office to be voted for, whose nominations have been certified to or filed in this office, are given under the title of the office and under the appropriate party or other designation, each in its proper column, together with the question submitted to a vote, for a referendum, in the sample ballot below.

INFORMATION TO ELECTORS

Upon entering the polling place, an elector shall state his or her name and address, show an acceptable form of photo identification and sign the poll book before being permitted to vote. If a voter does not have acceptable photo identification, the voter may obtain a free photo ID for voting from the Division of Motor Vehicles. If an elector is not registered to vote, an elector may register to vote at the polling place serving his or her residence if the elector presents proof of residence in a form specified by law. The initials of two inspectors must appear on the ballot. Upon being permitted to vote, the elector shall retire alone to a voting booth and cast his or her ballot except that an elector who is a parent or guardian may be accompanied by the elector's minor child or minor ward. An election official may inform the elector of the proper manner for casting a vote, but the official may not in any manner advise or indicate a particular voting choice.

At the General Election, the elector shall fill in the oval next to the name of the candidate of his or her choice for each office for whom he or she intends to vote. To vote for a person whose name does not appear on the ballot, the elector shall write in the name of the person of his or her choice in the space provided and fill in the oval on the write-in line. On referendum questions, the elector shall fill in the oval next to "yes" if in favor of the question, or the elector shall fill in the oval next to "no" if opposed to the question.

If using the **electronic ballot marking device ("Automark")** to mark a ballot, the elector shall touch the screen at the name of the candidate of his or her choice for each office for which he or she intends to vote. To vote for a person whose name does not appear on the ballot, the elector shall type in the name of the person of his or her choice in the space provided for a write-in vote. On referendum questions, the voter shall touch the screen at "yes" if in favor of the question, or the voter shall touch the screen at "no" if opposed to the question.

The vote shall not be cast in any other manner. Not more than five minutes' time shall be allowed inside a voting booth or machine. Sample ballots or other materials to assist the elector in casting his or her vote may be taken into the booth and copied. The sample ballot shall not be shown to anyone so as to reveal how the ballot is marked.

Note: A voter must vote for Governor and Lieutenant Governor jointly on one ticket. A vote for Governor is also a vote for Lieutenant Governor. To vote for persons whose names do not appear on the ballot, write the names of individuals for both offices on the lines provided.

If the elector spoils a ballot, he or she shall return it to an election official who shall issue another ballot in its place, but not more than three ballots shall be issued to any one elector. If the ballot has not been initialed by two inspectors or is defective in any other way, the elector shall return it to the election official, who shall issue a proper ballot in its place.

After an official ballot is marked by the elector or the **Automark**, it shall be folded so that the inside marks do not show, but so the printed endorsements and inspectors' initials on the outside do show. After casting his or her vote, the elector shall leave the booth, insert the ballot in the voting device, or deliver the ballot to an inspector for deposit. The elector shall leave the polling place promptly.

An elector may select an individual to assist in casting his or her vote if the elector declares to the presiding official that he or she is unable to read, has difficulty reading, writing or understanding English, or that due to disability is unable to cast his or her ballot. The selected individual rendering assistance may not be the elector's employer or an agent of that employer or an officer or agent of a labor organization which represents the elector.

A Sample Ballot is available on the Village's Elections webpage: www.clevelandwi.gov/elections.
