Every deck must have an electrical outlet along the perimeter of the deck and within 6.5 feet of the floor in accordance with NEC Sec. 210.52(e)(3).	

CAUTIONARY STATEMENT TO OWNERS OBTAINING BUILDING PERMITS

Sec. 101.65(lr), Wis. Stats., requires municipalities that enforce the Uniform Dwelling Code to provide an owner who applies for a building permit with a statement advising the owner that if the owner hires a contractor to perform work under the building permit and the contractor is not bonded or insured as required under s. 101.654(2)(a), Wis. Stats., the following consequences might occur:

(a) The owner may be held liable for any bodily injury to or death of others or for any damages to the property of others that arises out of the work performed under the building permit or that is caused by any negligence of the contractor that occurs in connection with the work performed under the building permit.

(b) The owner may not be able to collect from the contractor damages for any loss sustained by the owner because of a violation by the contractor of the Uniform Dwelling Code or an ordinance enacted under sub. (1)(a), because of any bodily injury to or death of others or for any damages to the property of others that arises out of the work performed under the building permit or that is caused by any negligence of the contractor that occurs in connection with the work performed under the building permit.
