## Cleveland State Bank

As a member of the Federal Home Loan Bank of Chicago, Cleveland State Bank received a grant for \$20,000 as a part of a COVID-19 Relief Program to support all of its member institutions and the communities they serve.

We are aware that many non-profits were unable to hold fundraising events, which in some cases supports their organizations financial needs annually. During a time when these resources are more vital than ever, Cleveland State Bank matched the grants dollar amount and distributed \$40,000 among local organizations and charities.

### The following local organizations received a share of the funds:

Sheboygan County Food Bank - \$5,000.00  
Peters Pantry, Inc. - \$5,000.00  
Sheboygan County Dairy Promotion Association - \$4,000.00  
Manitowoc County Dairy Promotion Committee - \$4,000.00  
Sharon S. Richardson Community Hospice - \$2,000.00  
ElkhartCares - \$2,000.00  
Sheboygan County Interfaith Organization - \$2,000.00  
Pine Haven Christian Communities - \$2,000.00  
Nourish - \$2,000.00  
Fresh Meals on Wheels - \$2,000.00  
Safe Harbor - \$2,000.00  
Cleveland Athletic Club - \$2,000.00  
Cleveland Lions - \$2,000.00

# East Wind Garden Club

Hello Gardeners,

Well, just like you, we've had a very BORING winter and spring due to the corona issue, but this too shall pass.

The garden club would like to thank everyone who was brave enough to come out and purchase plants at our annual plant sale.

It does look like a go for our fall meetings which will be September 17th and October 15th.

We hope you are enjoying the community beds that our club maintains and once again say thank you to all businesses and individuals who helped us financially to tame the "Beast of a Bed" at the corner of Washington and Dairyland in beautiful downtown Cleveland.

The club feels it is a very welcoming sight.

Vermin alert!! Ground squirrels, chipmunks, whatever you want to call them, seem to be increasing in numbers and doing damage to landscapes in the area. That is probably what is making the very noticeable holes in peoples' lawns.

Those little pests even come up to my front steps, dig in the planter and devour roots of my geraniums. Some of the geraniums resemble the leaning tower of Pisa, no roots on one side to hold them in place.

FYI: We have discovered that the little buggers are not good swimmers.

I guess that's it for now.

Stay healthy and happy and get out into the yard and garden. What else can you do?

Happy gardening.

Lynn Fiedler for the East Wind Garden Club

# Lakeshore Technical College

## Continues Operating Safely During the Pandemic

While open and safely running summer courses on its Cleveland campus, Lakeshore Technical College is actively supporting students and preparing for the fall semester. A variety of in-person courses and support are being offered, as well as online and iFLEX® course formats to maximize individual student needs.

“We are excited yet cautious about bringing our campus back to a more normal level of activity,” said LTC President Dr. Paul Carlsen. “The decisions were made to move forward with the safety of everyone in mind. We want all students to feel comfortable enrolling and attending classes with us, and we want all visitors to feel comfortable everywhere on our campus.”

LTC’s fall term starts Monday, August 24 and will offer its complete student support services on campus and online, along with a more relaxed refund policy for fall. To encourage students to continue on their education paths, they will be able to receive a full tuition refund for courses dropped up to one week after the start for courses that run 15 weeks, and up to two days after the start for courses that run eight weeks or less. This will allow all students to “test drive” a course’s delivery format.

“Our students depend on us to deliver high quality, hands-on instruction in our state-of-the-art facilities. We have been doing this since 1912 and will continue to do so, while modifying our techniques as needed to provide a safe, comfortable learning environment for students and staff,” said Carlsen.

Fall courses will be taught in a variety of formats: in-person, online, iFlex®, and competency-based education (CBE). In-person instruction will follow all physical distancing protocols in place at LTC. With the pandemic situation remaining fluid, Carlsen says the college’s Incident Management Team continues meeting and monitoring local, state, and national sources of information for guidance. He says LTC will be prepared to adjust accordingly to meet the needs of students while ensuring a safe learning environment.

# Cleveland Lions Club

The year thus far has really been different, with Covid 19 interrupting many of the events planned for the summer.

The Village garage sales and our brat fry were rescheduled from May into June, which still allowed us to have a very successful event. We wish to extend a huge "Thank You" to all the people who patronize us each year. Profits continue to be used to support community projects, such as little league baseball, soccer programs, Secret Santa, and the Dare program at Cleveland Elementary School.

Although many plans had been made for the 41st annual Dairyland Festival, the club members elected to cancel this year's festival to comply with many of the shutdown requirements. However, we are looking forward to 2021 with renewed optimism, that the virus will no longer be a factor and we can continue this fund raising tradition.

The virus has had a negative effect on many of our state activities, including Lions Camp, district conventions and Lions Eye Bank activity and tissue transport.

The newly elected officers of the Cleveland Lions Club  
for the July 2020 thru June 2021st year are:

**President**-Jerry Johnson;  
**1st V.P.**-Kathy Sundee;  
**2nd V.P.**-Jeff Fritz;  
**3rd V.P.**-Ed Jesinski;  
**Treasurer**-Tom Fiedler;  
**Dairyland Treasurer**-Jeff Fritz;  
**Secretary**-Denise Fritz;  
**Tail Twister**-Steve Simons;  
**Lion Tamer**-Mike Holzem;  
**2-Yr. Directors**-John Sundee and Ann Gutoski;  
**1-Yr. Directors** Paul Albright and Charlie Kolb;  
**Immediate Past President**-Mark Johnson.

The Dairyland Park shelter has been remodeled and added onto with the efforts of many individuals and financial support from the Lions and the Village. Our sincere "THANKS" to everyone for their efforts.

We extend an invitation to any men and women interested in the volunteer opportunities available through Lions Membership to contact any Lion or specifically Lions Tom Fiedler at (920) 693-8553 or Denise Fritz at (920) 726-4250. We would welcome your participation.

It is with extreme sadness that we recognize the death of Lion Paul Albright. But it is with joy that we share the many memories that we have of the 52 years that Paul was a member of the Cleveland Lions and shared selflessly in all of our activities. We will truly miss him.
