Annual BRAT FRY
Sunday, April 28, 2019
at the firehouse

There will be brats, burgers, chicken, made to order steak sandwiches, and french fries along with many HOMEMADE desserts! We will have all day raffles, bucket raffles, and silent auction items~ This is the only fundraiser for our organization! Your support is very appreciated~ All the profits are used for training, update equipment and gear, and upkeep of the building.

Do you know what to do when you see an emergency vehicle with lights and sirens on behind you or in oncoming traffic?

When an emergency vehicle, such as an ambulance, fire truck, or police car, displaying flashing red lights and/or sounding a siren approaches your vehicle on a two-way road, you must pull to the right and stop... Remain stopped until all emergency vehicles have passed.

We could use your help~ We are looking for First Responders and Firefighters!!! Please considering volunteering to help your families, friends, and neighbors... If you're interested in caring for someone in a time of need or currently work in the medical field, please get involved with our First Responders. Meetings are the 2nd and 4th Thursday at 7 pm. Our firefighters meet the 1st and 3rd Monday at 7 pm.

Thank you for clearing around your fire hydrants after each snowfall this year!

Hope to see you at the brat fry!

~ Happy Spring ~

Cleveland Lions Club

"Thank You" to the community for again supporting our "Holiday Nut" sale and also for supporting our sustaining membership tickets. It is with your continuing support that we are able to continue the various programs we sponsor in the Cleveland area. A special "Thank You" to Cleveland State Bank for making their employees available to assist our sale.

Looking ahead to spring, we are again planning our brat fry in conjunction with the annual Village of Cleveland Garage Sale Days, which are scheduled for Friday, May 17th and Saturday, May 18th. This year we will be serving in downtown Cleveland near Rupp's and on Marshall Avenue both Friday and Saturday. All proceeds raised are used to support the local programs for youth and other community projects.

The Wisconsin Lions Camp at Rosholt, Wisconsin makes available free summer camping programs for adult and youth visually impaired; adult and youth deaf and hearing impaired; and borderline cognitively disabled youth. For information regarding schedules and applications, please contact Lion Denise Fritz at (920) 726-4250. These camping sessions are made available at no cost to the participants, thanks to the Lions of Wisconsin and their volunteer fund raising efforts. You may also visit the website at Wisconsinlionscamp.com.

Plans for the 40th annual Dairyland Festival to be held Saturday and Sunday, August 3rd and 4th are progressing with plans for the craft sale and car show being bigger and better than last year. Lion Tom Fiedler will field inquiries and questions at (920) 693-8553, tfiedler@outlook.com, or P.O. Box 177 Cleveland, WI 53015.

We again extend an invitation to any men and women interested in the volunteer efforts available through Lions Membership to contact any Lion or specifically Lions Tom Fiedler at (920) 693-8553 or Denise Fritz at (920) 726-4250.

We would welcome your participation!

Continues Historically Significant Work

Go to centrevillesettlement.org or choose Like on the Facebook site to learn more, see photos and learn how you can become involved. Centreville Settlement is a not for profit organization, dedicated to the preservation of the Saxon German culture and the farming community.

The 38th anniversary of the group continues with timber frame repair, stone masonry and historic gardening. The heritage garden produced a bounty of heirloom tomato, rhubarb, beans, rutabagas and potatoes for farm style lunches during workdays. If you would like to volunteer to assist with the historic garden, contact Kathy Pearce at (920) 946-1036.

Tours of the nationally significant project are available on work days by calling in advance to Sarah Lutze at (920) 693-3454.

Plan on joining for 2019 to work with a fascinating set of people with a common goal of historic restoration of rural heritage of the area while having old fashioned fellowship in work ethic, sharing farm style family meals and living through life long learning. Work days are scheduled to begin for 2019 on March 30 and then continue every second and fourth Saturday of each month from April to November. All are welcome. Persons wishing to be involved in the hands on work with timbers, windows or wood related aspects are encouraged to contact Chris Kuehnel, Project Director at (920) 693-3141.

A German Heritage Day is slated for August 10 at the Housebarn located at 13630 S. Union Road, Newton, WI. The event will feature German food, a German church service, speakers, demonstrations and exhibitors relating to German-American culture. Please support Centreville Settlement at the Brat Fry on Saturday May 4 & Sunday May 5th at the Pick & Save in Sheboygan on North 25th Street. Live music, flavorful brats and delicious home baked goods from 9:00 am to 1:00 pm.

Cleveland State Bank Charity Squads

Cleveland & Howards Grove, February 2019 – “Commitment to Communities” is one of the seven values that Cleveland State Bank management encourages staff to live by. Employees could never have imagined the inspirational year that would follow the assignment of designated charity squads.

CSB Charity Squads consist of six to eight employees along with a board of director. Each squad thoughtfully selects a charity they commit their time and energy to for the year. Management encourages, and supports, the use of work hours, as well as after hours, to volunteer. In 2018, CSB Charity Squads volunteered over 600 hours. It was no doubt, an inspirational year for the bank as a whole, and for all individual staff members.

After such a rewarding experience, Cleveland State Bank looks forward to continuing the Charity Squads for many years. New squads will be established and new charities chosen on an annual basis in order to expand their awareness of impactful organizations in the area. The staff is enthusiastic, not only on the impact they will make in the communities, but for their personal growth as well.

If you are part of any non-profit organization and would like CSB Charity Squads to consider supporting you in the future, please contact Marilyn at mstenske@bankatcsb.com.

Point Creek Natural Area

Volunteers Needed to Plant 2,000 Trees

Point Creek Park Tree Planting May 3, 4, 5 Fri. Sat. Sun.

Weather permitting: Everyday until all are planted

Time: 8:00 - 5:00 pm Indicate what day and time you can volunteer

Contact: Ron Schaper 920 489 4330 email pointcreekpark@gmail.com

Directions: 10565 Lakeshore Road, Newton, 4.2 miles north of Cleveland on Hwy LS

Please Bring: work gloves, (garden trowel / small shovel, hammer, kneeling pad)

Instructions: We will create teams of 2-3 individuals with buckets of tree saplings to:

Place tree into pre-dug hole
Cover roots with soil with trowel
Drive a stake into ground with hammer
Attach protective tube to stake

Point Creek Natural Area Management Team and Lakeshore Natural Resource Partnership (LNRP) are sponsoring this significant tree planting. Funds used to purchase trees are from the proceeds of logging and a US Fish and Wildlife Service Coastal Program Grant provided by LNRP.

The goal is to convert the existing 39 acre pine plantation of Point Creek Park to a Mature Northern Hardwood Forest present on the south side of Point Creek on land owned by UWGB. Eventually it will become like the 25 acre Old Growth (virgin) Forest at Lakeshore Technical College, which represents 3% of Old Growth Forests remaining in Wisconsin. That underscores the importance of this project. Logging Point Creek Park this past summer thinned the pines and opened clear areas for planting.

We used Old Growth and Mature Northern Hardwood Forests in the area as a guide for our tree selection. All the different tree species at their relative ratios will be planted. Composition of trees planted will mirror those of a mature forest. It is anticipated this selection of trees will bypass several hundred years of succession and speed the process of attaining a climax forest. Some active forest management will also be necessary.

In 30 to 50 years a canopy develops, and trees begin producing seeds. The canopy's shade controls all of what grows. It will shade out invasives, introduced forest flowers will spread, and a second generation of trees will begin a self-sustaining Northern Hardwood Forest.
