CLEVELAND SNOW HAWKS CLUB

"THINK SNOW"

As we begin the 2019-2020 snowmobile season the club will hit a milestone of 50 years in 2020. The Cleveland Snow Hawks Club members maintain 26 miles of state and club trails. Maps of the trail system can be found at local businesses. The club members would like to thank all the land owners without them we wouldn't have a trail system.

Every year you can see us at the Manitowoc County Fair Rock Pavilion it's our yearly fundraiser where you can get a delicious ribeye steak sandwich or listen to one of our nightly bands.

If interested in joining our club or see what events we have planned for the season just check us out on our website -<http://clevelandsnowhawks.com>.

Cleveland Fire Department

The Cleveland Fire Department would like to remind you to test your smoke/carbon monoxide detectors and to have one located on each floor of your house, and in every bedroom. It is also important to check that your fire extinguishers are in working condition, that family members know how to use them and where they are located in the house. All of these things may be the difference between life and death.

October 6th-12th was national fire prevention week, and in order to spread fire safety awareness, the fire department participated in a fire prevention presentation with the students at Cleveland Elementary as well as held an open house at fire station which consisted of many informative demonstrations, complimentary chili and ice cream, and gave local families a chance to meet and ask questions of their local firefighters and EMS personnel.

As winter approaches, we would like to remind the residents with fire hydrants on their property to please keep it cleared of snow. This allows the fire department quick access in case that hydrant is needed in an emergency. Thank you for helping us help you!

If you or someone you know may be interested in making a difference in people's lives and want to be part of a great and hardworking group of dedicated members, please call Chief Tony Meyer at (920) 905-1138.

2020 Cleveland Fire Department Annual Meeting February 3, 2020 - 7:30pm at the Cleveland Fire House

Dues are \$10.00 per person. Lunch is Provided by Cleveland State Bank.

Cleveland Clever Clovers 4-H

In 4-H, kids complete hands-on projects in areas like health, science, agriculture, and food and nutrition in a positive environment where they receive guidance from adult mentors and are encouraged to take on proactive leadership roles.

If interested in 4-H or learning more about the Cleveland Clever Clovers, please contact Heidi Belitz @ (920) 693-3435.

Cleveland Lions Club

The Cleveland Lions wish to extend a huge “Thank You” to the coaches and assistant coaches for their efforts in coaching the little league baseball, soccer, and “Wildcat” baseball programs this past season.

Our Lions District 27 B-1 convention was held in Fond du Lac on November 8th and 9th. Our club presented checks totaling \$5,550.00 in support of the WI Lions Pride Campaign, WI Lions Foundation, Leader Dog Program, and WI Lions Eye Bank.

The Wisconsin Lions Camp at Rosholt, Wisconsin served 1,196 campers this summer, who were either visually impaired, deaf or hearing impaired, or cognitively disabled at no cost to the camper. 156 campers were from our 27 B-1 district.

The Cleveland Lions contributed to the “Secret Santa” program for the community, both financially and with helping hands.

We extend our appreciation to the community for supporting our annual “nut sale”. Hopefully many of you enjoyed this fine selection of good quality nuts while also providing financial support for our programs in this community.

We look forward to planning for our 41st Dairyland Festival to be held Saturday, August 1st and Sunday, August 2nd.

If you have an interest in joining Lions and making a difference, contact any Lion or specifically Lion Tom Fiedler at (920) 693-8553 or Lion Denise Fritz at (920) 726-4250.

Scenario City Construction Is Complete at LTC

Lakeshore Technical College broke ground on its Cleveland campus this summer to build Scenario City, a new five-acre advanced training complex designed for public safety students and professionals including firefighters, police officers, and emergency medical services staff. Construction is complete other than final paving and landscaping which will be done in spring. Students started training exercises in late November.

Scenario City adds four realistic buildings to LTC's existing Public Safety Training Center. New buildings include a convenience store/gas station, motel, residence with walk-out basement, and a strip mall. The different building occupancy types allow for a wider array of scenario-based individual and team training. Training exercises will range from handling a routine fender bender in the parking lot of the strip mall to a release of hazardous materials causing injuries and the need to evacuate guests at the motel.

"We're very excited that Scenario City will allow us to increase the diversity of training experiences for our students and professionals," said LTC Dean of Energy and Public Safety Ryan Skabroud. "With a growing demand for highly skilled public safety professionals, Scenario City will help us prepare those who protect us to face increasingly difficult emergency situations more confidently than ever before," he added.

Job growth for law enforcement officers, firefighters, paramedics, and emergency medical technicians is expected to be strong over the next several years, partially due to an anticipated high number of retirements.

LTC offers basic and advanced public safety degree programs in criminal justice-law enforcement, emergency medical technician (EMT), emergency medical technician-paramedic, and fire medic. It also offers continuing education for professionals in these fields. Programs offering starts in January include EMT and EMT-paramedic. For more information, visit LTC at 1290 North Ave. or gotoltc.edu, or call (920) 693-1162.

Centreville Settlement Continues Historically Significant Work

Centreville Settlement will be celebrated the accomplishments for 2019 at the annual old time Holiday Dinner which will be held Sunday December 1 at The Sheboygan Historical Museum in Sheboygan. There was a report on the wildly successful German Heritage Day which included an academic symposium at LTC followed by a German style lunch and the afternoon at the Lutze Housebarn for a church service in German, sheephead discussion and the roll out of a new book by Richard Otto Wiegand featuring a fictional account of the greater Centerville area.

The 38th anniversary of the group continued with timber frame repair, stone masonry and historic garden. The heritage garden produced a bounty of heirloom tomato, rhubarb, beans, rutabagas and potatoes for farm style lunches during workdays.

Tours of the nationally significant project are available on work days by calling in advance to Sarah Lutze at (920) 693-3454.

Plan on joining for 2020 to work with a fascinating set of people with a common goal of historic restoration of rural heritage of the area while having old fashioned fellowship in work ethic, sharing farm style family meals and living through life long learning. Work days are scheduled to begin for 2020 in late March. All are welcome. Persons wishing to be involved in the hands on work with timbers, windows or wood related aspects are encouraged to contact Chris Kuehnel, Project Director at (920) 693-3141.

Go to centrevillesettlement.org or choose Like on the Facebook site to learn more, see photos and learn how you can become involved. Centreville Settlement is a not for profit organization, dedicated to the preservation of the Saxon German culture and the farming community.

Lakeshore Water Institute Interns Contributing to DNR's Development of the Northeast Lakeshore TMDL

The Lakeshore Water Institute is a collaboration between UWGB-Manitowoc Campus, Lakeshore Natural Resource Partnership, and the Friends of Hika Bay. Undergraduate research students collect and analyze water quality data with oversight and advice from faculty supervisors and community-based mentors. Beginning in 2010 the project has continuously monitored Centerville, Fischer, Point, Calvin and Pine creeks.

The student interns report their field work and data analysis to the public at an annual Lakeshore Water Summit. In addition, the interns mentor high school students. As the interns benefit from community engagement and hands-on research, their work elevates citizen awareness of local watershed issues and provides data for evidence-supported decision-making.

From May to September, students collect water quality data from 22 sites on the 5 creeks, weekly and within 24 hours of at least 0.5" of rainfall. Data collected includes physical parameters (dissolved oxygen, temperature, pH, turbidity, flow velocity, conductivity), nutrient indicators (ammonia, total orthophosphate, total soluble phosphate), and biological indicators (E. coli concentration).

All data collected by the interns is posted on the Friends of Hika Bay website (www.hika-bay.org). The water quality chair for the Friends of Hika Bay provides quality control, uploads the data into a long-term data set (2014-present), and maintains the website for public use.

The data is also used to drive evidence-based decision making at the local and state level, including evaluation of restoration projects and contributing to the development of the DNR's Total Maximum Daily Load (TMDL) plan for the region.

The DNR, together with many partners throughout the basins, are working to improve surface water quality of tributaries, streams, rivers and lakes within the Northeast Lakeshore (NEL) TMDL basins. The NEL TMDL is focused on addressing surface water quality impairments from phosphorus and total suspended solids. The TMDL study and implementation plan will provide a strategic framework and prioritize resources for surface water quality improvement across the basins that make up Wisconsin's northeast lakeshore.

For more information please contact Russ Tooley at the Friends of Hika Bay (rtooley@lakefield.net) or Jim Kettler, Director of Projects, LNRP (jim@lnrp.org).

Hello Gardeners!

Hello Gardeners,

Thank you to all who came by our tent at the Dairyland Festival. We hope you enjoyed the floral displays, our member's garden art and participated in the raffles.

On October 12, 2019, our club had its first ever Children's Fall Event. About 25 children attended. They did art projects, had snacks and heard stories.

At our October meeting the club changed direction with its donations. We will no longer do a regularly scheduled donation between two groups, but we will contribute to local causes as they come up. A contribution will be made this year to The Secret Santa Project.

A one-time committee was set up to focus on the Ryder's Cup in the fall of 2020. We feel that we would like to do something a little special for the Ryder Cup period because people from all over the world could be visiting our village.

Congratulations to Jamie Fink for winning the garden art. At this year's meetings, questions were asked and members gave written answers to them. The answers were collected and the correct answers were read aloud. After a brief "quiz off", the tie was broken and Jamie was triumphant.

Wreath making was held at the home of Nancy Oehldrich. Holiday décor was made for this year's holiday.

Once again, we invite the public to join our club or attend our meetings. Dues are \$15.00 a year. If you may be interested, call me at (920) 693-8553 or e-mail me at TLFiedler@outlook.com and I will get an information packet to you and you can keep it whether you join the club or not.

Have a Blessed Christmas.

Lynn Fiedler,
for the East Wind Garden Club

We provide **FREE** estimates for new installations of heating and cooling equipment. No pressure—just the answers you need to make an informed decision.

Cleveland Athletic Club

As another baseball and softball season has come to a close at Veterans Park for the year, a special Thank You goes out to all the little league coaches and parents who volunteered their time and talents: Instructional Baseball – John Sundee - Cleveland Lions, Jeremiah Sundee and several parent helpers; Grade School Girls Modified Softball – Amanda Schulz, Brian Smith and several parent helpers; Cleveland Lions Pony – Steve Coffee, Chase Ploetz, Steve Heller, Ron Schisel and Brian Schuessler; Cleveland Lions Pee Wee - Hemb – Adam Hemb, Kayla Veldboom and several parent helpers; Cleveland Lions Pee Wee - Brault – Aaron Brault, Al Kuznacic, Tim Hundt and several parent helpers; Cleveland Lions Peanuts – Jayme Jurss, Dan Bruckschen, Chris Jost, Derrick Rupp and several parent helpers.

Also, Thank You to all game umpires, Carson Kramer and Dale Wagner for preparing and grooming the fields each week for little league and adult ball games and T & L Services Lawn Care & Landscaping for cutting the lawn in the park and keeping the ballfield outfields looking Great!

Lastly, Thank You to all village and surrounding area residents and businesses for their support this past summer at the Veterans Park concession stands and for the support of the annual little league pizza and frozen foods fundraiser.

All proceeds from these sales stay in the village and are used for uniforms, equipment purchases, tournament entry fees, Veterans Park improvements and other little league and adult league related items.

In addition, Congratulations to the Cleveland Lions Pee Wee - Brault baseball team in winning the 2019 Manitowoc County Youth Sports Pee Wee League Championship on August 10th in School Hill.

For additional information about the Cleveland Athletic Club, check out our new website @ <https://cacwi.com>. The website is maintained and updated by athletic club member, Rob Burkhard.

The next two monthly meetings for our club will be held on:
Tuesday, January 7th and Tuesday, February 4th
 at the Cleveland Fire Department
 with each meeting beginning at 7:00 pm.

For additional information, call Ron @ (920) 889-1807

Cleveland Secret Santa 2019

Hello Village of Cleveland Residents,

Our Secret Santa Club has been busy shopping and getting things together to make deliveries to 12 families in need that live within our Village.

We really want to thank all the businesses, groups, organizations and individuals who continue to help us every year to make this a wonderful season for families in the Village. We're able to continue doing this because of the generous donations we receive.

We ask if you're interested in helping us, please make your monetary donations at Cleveland State Bank and let them know it's for the Cleveland Secret Santa.

Thank you and Merry Christmas

Bonde's Quik Mart

Greetings to all our Village friends.

WE DID IT! With your help - by filling at Our Pumps 5 & 6, we surpassed our goal of \$1,200 to the Cleveland Fire Department. We were able to present a check for \$1,477.92 to Tony Meyer, Fire Chief of Cleveland. His department had the monies earmarked for a Rescue Randy. Thank you for all your help ☺

And a big thank you to those who have made our progress possible. We celebrated our 37th Anniversary and Customer Appreciation just last month. We celebrated by offering special pricing on sodas, beers, and many of our food items. We were also able to raffle off many prizes including three \$37 gift cards. It was fun. We hope you were able to take advantage of the many savings.

Now, for some unique Christmas gifts, we've got the cutest little headwear on display. Squeeze the button and ears pop up. Too cute! Also, last Christmas, we had been out of discs for those of you who play Disc Golf. We now offer a wide variety of new discs for your Christmas gift giving.

Please keep Bonde's in mind as your one stop shop for your more immediate holiday food and beverage needs. If you're a planner, know that you can order ahead for many items and we'll have them ready for pick-up. Simply call (920) 693-3145 for ice, rolls, cookies, our famous peanut squares and just about any flavor pizza. (No need to run to the next city for your party items.) We'll do the work. All you need to do is pick it up. We're here to help make your life less stressful so you can enjoy your family and friends this holiday season.

Wishing everyone a Blessed Christmas and New Year!!
