This year we will be serving in downtown Cleveland near Rupp's and on Marshall Avenue both Friday and Saturday. All proceeds raised are used to support the local programs for youth and other community projects.

The Wisconsin Lions Camp at Rosholt, Wisconsin makes available free summer camping programs for adult and youth visually impaired; adult and youth deaf and hearing impaired; and borderline cognitively disabled youth. For information regarding schedules and applications, please contact Lion Denise Fritz at (920) 726-4250. These camping sessions are made available at no cost to the participants, thanks to the Lions of Wisconsin and their volunteer fund raising efforts. You may also visit the website at Wisconsinlionscamp.com.

Plans for the 41st annual Dairyland Festival to be held Saturday and Sunday, August 1st and 2nd are progressing with plans for the craft sale and car show being bigger and better than last year. Lion Tom Fiedler will field inquiries and questions at (920) 693-8553, tlfiedler@outlook.com, or P.O. Box 177 Cleveland, WI 53015.

We extend a huge "Welcome" to George Herrmann and Hayden Herrmann as our newest "Lions". Lakeshore Technical College Prepares To Offer Culinary Arts Education At The Cleveland Campus

Construction is underway at the LTC Cleveland campus to create a brand new culinary arts learning environment. LTC culinary arts students currently attend classes at a leased restaurant facility on Sheboygan's riverfront, where the college first launched the program in 2012. The relocation to Cleveland will offer significant benefits to students and the community.

Students will learn and hone their skills in a newly constructed commercial kitchen custom-designed for educational purposes. A baking lab will provide the opportunity for additional learning opportunities. Students will also benefit from more convenient access to vital college services including academic assistance and financial aid, as well as expanded opportunities to become engaged in student activities.

"We're excited about bringing LTC's culinary arts program to our Cleveland campus and offering students a state-of-the-art culinary learning environment," says LTC Dean of Business, Technology, and Hospitality Doug Hamm. "We're also looking forward to better serving the whole student by providing easier access to all college support services."

Job prospects for LTC culinary arts graduates are bright with demand in the region for professionally-trained chefs continuing to grow. The recent accreditation of the program by the American Culinary Federation (ACF) provides graduates with an additional employment edge as ACF certified culinarians.

The college also plans to offer culinary-related Community Education courses in the new space. These courses are open to Cleveland residents, as well as the general public, for personal enrichment and will be scheduled during the evening or weekend hours beginning Fall 2020.

Centreville Settlement Continues Historically Significant Work

Go to centrevillesettlement.org or choose Like on the Facebook site to learn more, see photos and learn how you can become involved. Centreville Settlement is a not for profit organization, dedicated to the preservation of the Saxon German culture and the farming community.

The 39th anniversary of the group continues with timber frame repair, stone masonry and historic gardening. The heritage garden produced a bounty of heirloom tomato, rhubarb, beans, rutabagas and potatoes for farm style lunches during workdays. If you would like to volunteer to assist with the historic garden, contact Kathy Pearce at (920) 946-1036.

Tours of the nationally significant project are available on work days by calling in advance to Sarah Lutze at (920) 693-3454.

Plan on joining for 2020 to work with a fascinating set of people with a common goal of historic restoration of rural heritage of the area while having old fashioned fellowship in work ethic, sharing farm style family meals and living through life long learning. Work days are scheduled to begin for 2020 on March 28 and then continue every second and fourth Saturday of each month from April to November. All are welcome. Persons wishing to be involved in the hands on work with stone masonry, timbers, windows or wood related aspects are encouraged to contact Chris Kuehnle, Project Director at (920) 693-3141. The Lutze Housebarn is located at 13630 South Union Road, Newton, WI 53063-9753.

A German Language day and beyond is slated for later in the summer. Please support Centreville Settlement at the Brat Fry on Saturday May 2 at the Piggly Wiggly in Plymouth. Live music, flavorful brats and delicious home baked goods from 9:00 am to 1:00 pm.

LNRP to co-host a series of Coastal Resiliency Workshops

Extreme rainfall events as the result of climate change have increased over the last half-century in our region, and scientists expect these trends to continue. Combined with land cover changes including increased urbanization, heavy precipitation will continue to lead to flooding, erosion, declining water quality, and negative impacts on transportation, agriculture, human health, and infrastructure.

As a response, the Lakeshore Natural Resource Partnership (LNRP) will be co-hosting a series of coastal resiliency workshops in May and June that will follow the Lake Michigan Stakeholder (LMS) Spring Member Meeting scheduled for May 14th in Milwaukee.

Participants of the spring meeting will learn the ins and outs of innovative green infrastructure (GI) practices from planning to maintenance. You'll hear about the challenges and possibilities of managing water where it falls and explore how GI has been incorporated in Milwaukee's Walker's Point neighborhood. The meeting will take place at the Coakley Brothers Water Tower Building where the site can hold up to 212,000 gallons of water thanks to Green Infrastructure!

Organized by Linda Reid of Water365, the additional coastal resiliency workshops will focus on (1) the challenges of precipitation changes on communities; (2) steps to resilience planning; and (3) practical tools for resilience implementation such as green infrastructure, innovative technologies and financing, and municipal code and water stewardship audits. Speakers will include a panel of representatives from the Wisconsin Coastal Management Program, and local engineering firms and environmental consultants, including, Ruekert & Mielke, Stantec Consulting, Bay Lake Regional Planning Commission, and EHSE Management Solutions.

Targeted participants include municipal officials and elected representatives, municipal staff representing departments of public works, water resource management agencies, interested shoreland owners, and environmental groups.

All workshops will run from 3:00 to 5:00 pm, with time afterward for networking. The two local events are scheduled for:
Monday, June 1: Sheboygan, Mead Public Library
Monday, June 8: Manitowoc / Two Rivers, Wisconsin Maritime Museum

A follow up webinar, on sharing access to resiliency tools, will be hosted in July 2020. Check the LNRP calendar for more details as they develop!

THANKS TO OUR LANDOWNERS!

The impact landowners have is widespread, even further than you can imagine. Use of your land is foundational to the sport of snowmobiling. Your generosity and selfless gift to hundreds of snowmobilers to enjoy your property each season positively impacts the lives of so many. You are helping to build generations of people who love the outdoors. You help people you know and people you don't even know get to experience the outdoors in a way they never could otherwise. People are out there creating lifetime friends and memories because of the use of your land. Because of you, the quality of winter life is greatly enhanced.

With Sincere Gratitude, Thank you. Cleveland Snow Hawks Club Members

Hello Gardeners!

The garden club held its Winterfest at Rupp's on Washington on February 20th. We thank the committee for doing the wonderful job at putting this together.

It is membership drive time. If you may be interested in joining our group, contact me, Lynn Fiedler at TLFiedler@outlook.com or call (920) 693-8553. I will get an informational packet to you, to keep whether you join or not. Our dues are still only \$15.00 a year.

Our next meeting is Thursday, March 19, 6:30 pm. at the Cleveland Fire House. A representative of Millhome Greenhouse of the Kiel area will be speaking on taking care of perennial beds.

Our April 16th meeting, (same time and place) will have member Jamie Fink doing a book review on "Gardening for a Lifetime." I'm sure this will be an informative and enjoyable review.

At this moment our club committees are working on, or soon to be working on our May plant sale, choosing recipients of our Ding-Donger containers, summer garden craft day projects, a summer social, planning the wreath making day, individually working on garden art and the Ryder's Cup event. So you see, we are a busy group, plus we are tending the community garden beds.

This Groundhog's Day went by without any appearance from a single woodchuck in our backyard. Hopefully they won't show up when the weather warms up... (Song-Impossible Dream in the background)

Happy Gardening!

If you have plants you would like to donate to our club, we'll come to dig them up. Call Lynn at (920) 693-8553 or TLFiedler@outlook.com

We would use them for our plant sale in May.

Again thank you so much for your continued support. It is truly appreciated. Monetary donations are accepted year-round at Cleveland State Bank.

VFW Post 8974

Greetings village newsletter readers,

I am writing this article on March 11, 2020 to inform the community that our VFW post will dismantle as a post and hopefully combine with another VFW Post. We will meet on Monday March 16, 2020 to officially vote on this combination. We no longer have enough close and viable members to field a full officer team after May 31, 2020. We are down to 17 live members with many institutionalized or do not live in our area. I have met with the Kiel Tri-County VFW Post and they approved a motion in February to let us combine with them. Not all of our members need to join that post. All but one of our members are life members so they can join posts that they choose to belong to.

Our VFW Ladies Auxiliary will also close when we discontinue being a chartered post. We are planning to stay a post until the end of May. We want to have one last Memorial Day Ceremony at the post house with the scout troops. Being our last ceremony we want to invite all the citizens that have supported the post and auxiliary since 1947. We will have our ceremony at 10 am on Monday May 25, 2020. Instead of a typical topic for the event we would ask that each of you as citizens could offer reflections regarding our Post over these 73 years. We will also have snacks and coffee etc. for treats. I will put up a few reminder posters in April around the village.

Thank you to all of you for your support for our VFW and veterans everywhere.

Sincerely,

Bryce Larson - Cleveland VFW Post Commander

Bonde's Quik Mart

It is starting to warm up nicely and we're ready for the next season. Thank you, Mother Nature, for a rather mild winter. Soon we will see signs of spring including green grass.

We are happy to report that we are fully compliant for EMV: That stands for Europay, Mastercard and Visa. Compliant card readers inside the store and outside at the pumps is the latest technology to cut down on counterfeit fraud.

For those of you who are tech savvy, we also have touchless pay. By downloading your payment method into a mobile pay app, such as Google Pay, Apple Pay, PayPal etc., you are now able to pay outside where you see the contactless symbol.

Since our last newsletter, we changed our milk offering from Dean's to Sassy Cow. Sassy cows are raised and milked right here in Wisconsin. The milk is pasteurized and bottled here, and is rBGH free. We hope you enjoy the offering.

In our kitchen, we continue to offer new items to our breakfast, lunch and dinner menu. That includes hot and cold sandwiches as well as sweet treats to go with.

Save money on fuel?? Sure!! CITGO has a loyalty app and Wisconsin is part of their test market. By using loyalty, either at the pump or inside, you will save 5¢ a gallon every day! In addition to the 5¢ you receive every day, you'll save 20¢ on one Tuesday of each month and 10 cents on one Friday of each month. And remember, when paying with your CITGO Credit or CITGO prepaid card here at Bonde's, you save an additional 3¢. Feel free to ask a cashier for more information.

Have a Happy and Blessed Easter. We look forward to serving you.
