

VILLAGE BOARD OF CLEVELAND
MANITOWOC COUNTY, WISCONSIN

RESOLUTION NO. 2021-R-16

AMENDMENT TO THE VETERAN'S MEMORIAL PARK
PARK SITE MASTER PLAN

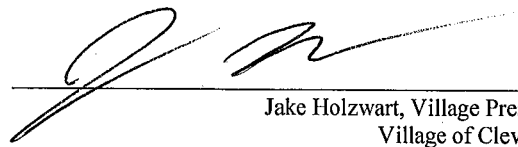

WHEREAS, Sec. 62.23, Wis. Stats., authorizes the adoption and amendment of a Master Plan for the general purpose of guiding and accomplishing a coordinated, adjusted and harmonious development of the municipality which will, in accordance with existing and future needs, best promote public health, safety, morals, order, convenience, prosperity or the general welfare, as well as efficiency and economy in the process of development; and

WHEREAS, the *Veteran's Memorial Park Park Site Master Plan* dated November 1996 designates the northern portion of the park for active recreational facilities, and the proposed location of the bench in this area supports recreational uses by providing a place for observation of playground and park activities for park users, and the additional benefit of quiet reflection between two memorial trees; and

WHEREAS, the Plan Commission at its August 4, 2021, meeting found the amendment was consistent with the Master Plan's designation of this area for open play if the bench was located between each memorial tree, and consistent with accessibility requirements due to the flat terrain in the area; and comported to the *20-Year Comprehensive Plan* as defined in Sec. 66.1001, Wis. Stats., and the Village of Cleveland Official Map;

NOW, THEREFORE, BE IT RESOLVED, the Village Board of Cleveland hereby adopts the findings of the Plan Commission and amends the *Veteran's Memorial Park Park Site Master Plan* to allow installation of a brown, 6-foot in-ground bench to be located facing the playground area, between the Kevin "Cork" Henschel and Paul "Paulie" Albright memorial trees.

Passed and adopted by the Village Board this 17th day of August, 2021.
