Cautionary Statement to Owners Obtaining Building Permits

If the owner hires a contractor to perform work under the building permit and the contractor is not bonded or insured as required under s. 101.654(2)(a), the following consequences might occur:

- (a) The owner may be held liable for any bodily injury to or death of others or for any damages to the property of others that arises out of the work performed under the building permit or that is caused by any negligence of the contractor that occurs in connection with the work performed under the building permit.
- (b) The owner may not be able to collect from the contractor damages for any loss sustained by the owner because of a violation by the contractor of the 1&2 Family Dwelling Code or an ordinance enacted under sub. (1)(a), because of any bodily injury to or death of others or for any damages to the property of others that arises out of the work performed under the building permit or that is caused by any negligence of the contractor that occurs in connection with the work performed under the building permit.

By signing below, I accept full responsibility for determining the existence and location of any easements, covenants, utility service lines, etc., that may affect the above-described premises. I certify that the information on this form is complete and accurate. I agree to comply with all applicable codes of the Village of Cleveland and the State of Wisconsin and with any conditions attached to this application and permit. I understand issuance of this permit creates no legal liability, express or implied, of the Department, Village, Agency or Inspector.

The Applicant is responsible for contacting the Building Inspector to arrange for inspections.
