East Wind Garden Club

Hello, Gardeners,

With the lack of snow at the moment, it gives us the opportunity to do some garden cleanup we missed last fall, measure areas of your garden that you want to enlarge, put flags in marking plants needing dividing or decorate your 7 foot tall Bigfoot garden art for spring. The possibilities are endless.

If you got the gardening bug, you need to show up for our next meeting on Thursday, March 21, 2024, 6:30 pm at the Cleveland Fire House. Member, Jamie Fink, will be presenting a virtual garden tour of our members' 2023 gardens. You may glean a few ideas for your own landscape.

April has a completely different face for us. As a community service, our club is spotlighting human trafficking. It has reared its ugly head in Sheboygan and Manitowoc county. So instead of the normal meeting at the firehouse, we invite the community and areas beyond to hear a volunteer from Freedom Cry-Anti-Tracking Coalition of Sheboygan County. It will take place on April 18, 2024, 6:30 pm at Lakeshore Technical College Room: Lake Michigan L260. Discussion /talk will last about one hour and the representative will take questions from the floor if any.

Our club wants more than flowers and nice landscapes for our community. We want safety for us, our children and grand kids, our neighbors and help for those being trafficked.

And as always, we welcome you to join our club. For info, email me at TLFiedler@outlook.com or 920-693-8553.

Until next time, Happy Gardening!

Lynn Fiedler, President, East Wind Garden Club

Cleveland Clever Clovers 4-H Club

The 4-H slogan is "to learn by doing" Club members have embrace this slogan in many ways. At our club level we created beautiful wreaths, learned more about candy making, learned about diversity, and learned how to use create and use a button maker over the winter months. Plans this spring are to have a fun with clay day, attend county wide activities such as Spring Arts Festival, Pine Wood Derby, and April's Awards Banquet.

Congratulations to Heidi and Clarence Belitz for receiving the Lifetime Volunteer of the Year Award for 2022-2023. Heidi and Clarence have been active with the Cleveland Clever Clovers for over 25 years. Congratulations to Henry, Savannah, Wyatt, Nadine, Jack, Addison and Alyssa for receiving Scrap Book Awards at November's Award Ceremony.

Wondering how you can support 4-H? Cleveland State Bank has Plat Books for sale. Attend the Manitowoc County Fair and purchase a treat from the Clover Cafe. Attend the Artisan Fair at Windmill Acres in July and purchase a snack from the food stand.

For more information on how to join the Cleveland Clever Clovers 4-H Club attend one of our meetings. We meet the first Sunday of each month at the Cleveland Fire House at 4 pm or call Heidi at 920-693-3435.

West Foundation Supports Manitowoc River Basin Conservation Efforts

LNRP has received a grant from the West Foundation, which funds work in the Manitowoc River Basin. With this generous support, LNRP will be able to increase investment in ongoing initiatives in this region, expand support of partner groups, and leverage additional funds for project grants.

West Foundation funding will be used to provide administrative support and fiscal oversight to five LNRP partner groups, increasing their already large impact in the region. Both Friends of Hika Bay's intern program and Friends of Stony Brook's Trout in the Classroom program facilitate hands-on learning in outdoor spaces, training the next generation of conservationists. Friends of the Manitowoc River Watershed and Friends of the Twin Rivers support local aquatic recreation through beach cleanups, paddling events, and stormwater education and outreach. The Friends of the Branch River Watershed works to improve and preserve the Brown and Manitowoc County communities with paddling tours, crayfish removal events, Branch River clean-ups, and annual educational programs.

In addition to supporting LNRP partner groups, the West Foundation is contributing to the impact of LNRP restoration projects. The Coastal Resiliency Community Impact Project (CRCIP) works with the City of Manitowoc to prioritize, fund, and implement projects that increase community resilience to climate change. With funding from the US Forest Service, LNRP is increasing the climate resilience of the county, both by mitigating the destruction of the Emerald Ash Borer (EAB), and by reforesting public parks in the area. Working closely with Glacierland RC&D and Stantec, LNRP has also helped fund the removal of invasive Phragmites in Manitowoc and Calumet Counties and Japanese Knotweed in Manitowoc City Parks.

LNRP thanks the West Foundation for their support of our work, and their contribution to the health and vitality of the Manitowoc River Basin.

If you would like to volunteer to assist with the historic garden, contact Kathy Pearce at 920-946-1036.

Please support Centreville Settlement at the Brat Fry

American Legion

The American Legion Post 477 is a Veteran service organization who is an authorized advocate for all Military Veterans in southern Manitowoc County. We conduct various events in order to support our Four Pillars: Veterans Affairs, National Security, Americanism, and Youth. Each of these pillars encompasses a variety of programs that benefit our Nation's Veterans, service members, families, and communities.

We have four significant events coming up beginning in May. May 16th is our 2nd annual Tee it up FORE Troops (TUFT) Golf tournament at Autumn Ridge in recognition of Armed Forces Day. All proceeds go to Old Glory Honor Flights (OGHF). Last year, in our first year, we donated \$10,000 for OGHF. That sent 20 Vietnam and Korean War Veterans to Washington DC. You will see posters around the village and track us at You can track us on this event at <https://www.facebook.com/TeeItUpForeTroops>. Please contact us through our email: americanlegionpost477@gmail.com, call/text Nancy Riveria at 920-905-6273 or call Dan Reinke at 920-973-7870.

We are also in the planning stages for conducting Memorial Day Honors at five local cemeteries, Saxon Cemetery on South Union Rd, Kassa Cemetery at the end of Dairyland Drive, St. Wendel's Cemetery at 700 Westview Street, and St. Johannes/St. Georges Cemetery at Birch Street. This will be in addition to the 11 cemeteries we currently conduct Honors for in the School Hill, Newton, and St. Nazianz area. The schedule and times will be posted on our Facebook page at American Legion Post 477 - St Nazianz. All Veterans are invited to participate in honoring our fallen Veterans. Please send me an email at: cdrpost477@gmail.com. If someone in the village is talented with a trumpet and wishes to participate, please contact me at the previous email.

We have two events in June. Tractor Days is a two-day event beginning Friday afternoon through Saturday, 21-22 June. This event is used for supporting our Post. Tractors assemble at Shadows Bar in School Hill and conduct a parade on Saturday. We have a band, games, food, and raffles. All raffle products are donated by local businesses and individuals. This year we will also raffle off a 1951 Farmall Cub tractor with Belly Blade or \$1000 cash. Only 250 tickets will be sold. Contact me at cdrpost477@gmail.com.

Our 2nd event in June will be a fund-raising visit by The American Legion Riders of Wisconsin for raising money for two great Wisconsin American Legion Family funds that provide help directly to veterans and their families. Wisconsin American Legion Troop and Family Support Fund & Wisconsin American Legion Auxiliary-Homeless Women Veterans Grant Fund (HWVGF). The riders will be arriving in School Hill at Shadows bar about Mid-afternoon on Saturday, June 29th. Watch for posters as events get closer.

Finally, any Veteran, or family of Veterans, can become members of the American Legion, Auxiliary, and Sons of American Legion by contacting either of the two emails listed above.
