## **Why are you running for office?**

The voice of the people deserves to be heard and respected. I intend to be peoples voice.

## **What is your relevant experience?**

I worked 30 years at Lakeshore Technical College, retired. I worked 9 years for Lakeland College. The experience I gained has given me the skills to interact and serve a diverse group of people.

## **What is the most important issue you want to address?**

Our Village borrowed 1.6 million in 2020 and 2.44 million in 2022 that is now over \$4 million dollars in debt. This is unacceptable.

## **How would you approach addressing the issue you identified as most important?**

The Village Board needs to be more involved in the Village finances. It is the peoples money and they deserve real transpararent.

## **What makes you the best candidate?**

I have lived in this Village for over 45 years. It is time to rebuild trust in our government.
